ANNOUNCEMENT OF PRIZES, HONORS, AND SCHOLARSHIPS

It was customary at one time, to announce the awarding of all prizes, honors, scholarships, etc., at Commencement in June. For some years, with large graduating classes, it has been impossible to give due recognition to all such recipients at Commencement. Since 1947, honors have been announced during each year at times other than Commencement. Announcement is made during the academic year that students may recognize and honor their fellows who have excelled in various fields of activity.

Only those honors, prizes, scholarships and awards are listed on the Commencement Program which have been granted for or during the graduating year to a student whose name appears as a graduate on the Commencement Program.

NOTE ON ACADEMIC DRESS

The history of academic dress goes back to the Medieval European universities of the fourth century. European universities continue to follow varied patterns in cut and color of gown and type of headdress. In the United States, the universities have standardized the academic dress so that its features are common and uniform throughout the country. The standard dress in the United States is as follows:

A. *The Gown.* The color is usually black, the material serge, worsted, poplin or silk. The pattern varies with the degree held; pointed sleeves for the Bachelor's degree; long closed sleeves with a slit for the arm for the Master's degree; and round open sleeves for the Doctor's degree. The Bachelor's and Master's gowns have no trimmings. The Doctor's gown is faced down the front with black velvet and three bars of the same across the sleeves; or the color of this velvet may be that the faculty or subject to which the degree pertains. Yale, Harvard, and Columbia now use gowns of the school's color, as well as black.

B. *The Hood.* Hoods are not worn for the Bachelor's degree. The Master's Hood is shorter than the Doctor's Hood and lacks the panels of the Doctor's Hood. Hoods are lined with the colors of the school, two colors being shown by charging one color with chevrons of another color. The binding or edging of the Hood is velvet of the color pertaining to the subject of the degree.

C. *The Cap.* The Standard Cap is the mortarboard, always black in color. While the standard Tassel is always black, except that Doctor's caps may have gold ones, it is the custom at the University of Missouri at Commencement, for Tassels to be used of the color indicating the subject in which the degree is taken.

D. *Colors for Subjects.*

1. Colors of Tassels on Candidates' Caps:

Agriculture—maize

Forestry—russet

Arts and Science—white

Music—pink

Science—golden yellow

Business and Public Administration—tan brown

Education—light blue

Engineering—orange

Graduate—always black; or gold for Doctor's

Home Economics—maroon

Journalism—red

Law—purple

Medicine—green

Nursing—apricot

Social and Community Services—rose

Veterinary Medicine—gray

2. Color of Trimmings on Doctor's Gowns and Hoods:

Doctor of Education—light blue

Doctor of Philosophy—dark blue

Doctor of Letters—white

Doctor of Fine Arts—brown

Doctor of Science—golden yellow

Doctor of Laws—purple

Doctor of Music—pink

Doctor of Medicine—green

Doctor of Divinity—scarlet

Doctor of Veterinary Medicine—gray

Doctor of Humane Letters—white

The Star- Spangled Banner

*Oh say! can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars, thro' the perilous fight,
O'er the ramparts we watch'd, were so gallantly streaming?
And the rocket's red glare, the bombs bursting in air,
Gave proof thro' the night that our flag was still there.
Oh, say, does that Star-Spangled Banner yet wave
O'er the land of the free and the home of the brave?*

Old Missouri

*Old Missouri, fair Missouri,
Dear old Varsity,
Ours are hearts that fondly love thee,
Here's a health to thee!*

*Every student, man and maiden,
Swell the glad refrain,
Till the breezes, music laden,
Waft it back again.*

CHORUS

*Proud art thou in classic beauty,
Of thy noble past;
With thy watchwords, Honor, Duty,
Thy high fame shall last.*

An Emergency First Aid Station is available. It is located on the main concourse in the northeast quadrant of the building. Please do not lift stricken person—call the ushers or station attendants.
