

THE UM STAFF ADVISOR

Volume 8, Issue 1

OCTOBER 1995

From the Chair...

With the October meeting behind us, we now kick off the eighth year of SAC, the Staff Advisory Council. We welcome new SAC members *Brenda Dennis, Monique Dodson, Nilufer Joseph-Tipton, Patricia Leistner, and Catherine Volmert*. The purpose of SAC is to advise the University administration on matters of mutual interest. It is also a means for the administration to keep the staff informed.

There are many items being discussed right now that will affect our jobs and benefits down the road. For those who can take advantage of it, the educational assistance program may be expanded. We may see changes in our retirement benefits that will impact us whether we're here for a short while or for the long haul. In central Missouri, the negotiations over the future of the Hospital and Clinics will affect many of us as patients. While we are thinking about what we have, there are others who are less fortunate than ourselves.

They are people in our own communities. Perhaps you know them. Someone who has suffered spousal abuse. A single parent struggling to make ends meet while wondering how to pay for day care. Maybe you have aging parents and you're just beginning to wonder how you're going to provide care for them. The United Way agency works for us and our communities. Will you give even a small contribution to help these people help themselves?

Brian McNamee, Chair
