CI Day Presenters

Today's Presenters

**Gary Allen**

Vice President Information Technology, UM; Chief Information Officer, MU;
Executive Director, UM Bioinformatics Consortium
allengk@missouri.edu

**Garnett Stokes**

Provost and Executive Vice Chancellor for Academic Affairs
stokesg@missouri.edu

**James "Jim" Bottum**

Vice Provost and CIO for Computing and Information Technology,
Clemson University; Presidential Fellow, Internet2
jb@clemson.edu

**Henry "Hank" Foley**

Vice Chancellor, Research and Graduate Studies
foleyh@umsystem.edu

**Hank Niederhelm**

Director of Infrastructure, MOREnet
hank@more.net

**Gordon Springer**

Scientific Director, UM Bioinformatics Consortium; Director, Research
Support Computing, MU; Associate Professor, Computer Science
springer@cecs.missouri.edu

**Timothy Middelkoop**

Director, Research Computing Support Services
middelkoopt@missouri.edu

**Bryan Roeslet**

Director, Systems & Operations/Telecom, Division of IT
bryan@missouri.edu

**Kevin Bailey**

Director, Customer Service and Support, Division of IT,
baileyks@missouri.edu

**Stephen Bergeman**

Special Agent
Federal Bureau of Investigation

**Tom Crawford**

Special Agent
Federal Bureau of Investigation

**Chi-Ren Shyu**

Professor, Computer Science; Director, MU Informatics Institute
shyuc@missouri.edu

**Sean Goggins**

Assistant Professor, School of Information Science and Learning Technologies
goggins@missouri.edu

**Dong Xu**

Professor and Chair, Computer Science
xudong@missouri.edu

**Twyla Gibson**

Assistant Professor, School of Information Science and Learning Technologies
gibson@gibson@missouri.edu

**Niladri Syam**

Robert J. Trulaske Sr. Associate Professor of Marketing at the
Trulaske College of Business
syamn@missouri.edu

**Joanna Hearne**

Associate Professor of English and Film Studies
hearnej@missouri.edu

**Felicity Dykas**

Head, Digital Services Department, MU Libraries
dykasf@missouri.edu

**Beth Plale**

Co-director and Chair, Hathi Trust Research Center; Director,
Data to Insight Center; Professor, School of Informatics and Computing
at Indiana University
plale@indiana.edu

**Courtney Soderberg**

Statistical and Methodological Consultant, Center for Open Science
courtney@cos.io

**Marjorie Skubic**

Professor, Electrical and Computer Engineering Department and Computer
Science Department; Director, Center for Eldercare and
Rehabilitation Technology
skubicm@missouri.edu

**Ye Duan**

Associate Professor, Computer Science Department
duanye@missouri.edu
