

Departments/Organizations of PIs and co-PIs

Round two awardees

On-campus

Agricultural and Applied Economics
Agricultural Sciences
Agricultural Systems Management
Animal Science Research Center
Animal Sciences
Animal Sciences and Informatics Institute
Animal Sciences/Biochemistry/Veterinary Pathobiology*
Anthropology
Applied Social Sciences
Architectural & Environmental Engineering
Architectural Studies
Art
Art Education
Art History and Archaeology
Asian Affairs Center
Biochemistry
Bioinformatics
Biological Engineering
Biological Sciences
Biomedical Sciences
Business
Business, Study Abroad
Cambio Center
Campus Facilities-Energy Management
Career Center
Center for Agroforestry
Center for Applied Research and Environmental System
Center for e-Research
Center for Family Policy & Research
Center for Health Policy
Center for Health Policy, Department of Dermatology
Center for Multicultural Research, Training & Consultation
Center for Sustainable Energy
Chemical, Mechanical and Aerospace Engineering
Chemistry
Child Health
Civil and Environmental Engineering
Clinical Family and Community Medicine
College of Agriculture, Food and Natural Resources
Commercial Agriculture Program/Swine research
Computer Science
Cyclotron Engineer
Educational Leadership and Policy Analysis
Electrical and Computer Engineering
Electrical Engineering
English
English/Film Studies

English/Women's and Gender Studies
 Environmental Studies
 Ergonomics, Safety, Healthcare Lab
 Extension - Agricultural Engineering
 Extension - Agriculture
 Extension - Agriculture, Plant Sciences
 Extension - Beef Genetics
 Extension - Commercial Agriculture Program
 Extension - Organizational Development
 Extension - State Specialist
 Extension - Swine Veterinary Medicine
 Family and Community Medicine
 Food and Agricultural Policy Research Institute (FAPRI)
 Food Science
 Food Systems and Bioengineering
 Forestry
 Geography
 German and Russian Studies
 German and Russian Studies, Film Studies
 Grants and Publications
 Health Communication Research Center
 Health Management and Informatics
 Health Psychology
 Health Psychology and Child Health
 History
 Industrial and Manufacturing Systems Engineering
 Informatics
 Information Science & Learning Technologies
 Interdisciplinary Neuroscience Doctoral Program
 Interior Design and Architectural Studies
 International Center
 Journalism
 Journalism, Study Abroad
 KBIA-FM
 Labor Education Program
 Law
 Learning, Teaching and Curriculum
 Life Sciences
 Life Sciences & Society Program
 Management, Business
 Mathematics
 Measurement & Statistics
 Mechanical and Aerospace Engineering
 Mechanical and Aerospace Engineering/Biological Engineering
 Medical Pharmacology and Physiology
 Medicine
 Missouri Innovation Center, Inc./Centennial Investors Angel Network
 Missouri Training Institute
 Molecular Microbiology & Immunology/Biochemistry
 Molecular Microbiology and Immunology
 MU Libraries
 MU Power Plant
 MU Research Reactor

Museum of Anthropology
Museum of Art and Archaeology
Music
Neonatology, Microbiology
Neurology & Immunology
Nuclear Engineering
Nuclear Science and Engineering Institute
Nursing & Veterinary Medicine
Nutrition and Exercise Physiology
Nutrition and Health Education
Obstetrics, Gynecology and Women's Health
Occupational Therapy
Office of Service Learning
Oral Biology
Pathology and Anatomical Sciences
Peace Corps Fellows Program
Philosophy
Physical Sciences
Physics
Physics and Astronomy
Physiology
Plant Sciences
Political Science
Psychological Sciences
Public Affairs
Radiology
Radiology and Physics
Religious Studies
Reproductive Biology & Toxicology
Romance Languages and Literature
Romance Languages and Literatures
Rural Health
Rural Policy Research Institute (RUPRI)
Rural Sociology
Science Journalism
Sinclair School of Nursing
Social Work
Social Work and Public Health
Sociology
Soil, Environmental and Atmospheric Sciences
South Africa Education Program
Strategic Communication
Strategic Opportunities/Provost
Student Health Center
Student Health Center/Health Promotion
Textile and Apparel Management
Theatre
Truman School of Public Affairs
Veterinary Biomedical Sciences
Veterinary Clinical Sciences
Veterinary Internal Medicine
Veterinary Medicine
Veterinary Medicine and Surgery

Veterinary Pathobiology
Water Resources Research Center
Western Historical Manuscripts Collection
Women's and Gender Studies

External

Associate Director for Science & Technology, National Renewable Energy Laboratory
Associate Professor of Mechanical and Nuclear Engineering, Kansas State University
Bangalore University
Biological Sciences, University of Massachusetts, Amherst
Canadian author and environmentalist
Carner and Associates, Ltd
Center for Folklife and Cultural Heritage, Smithsonian Institution
CEO & General Manager, Boone Electric Cooperative
CEO & General Manager, Central Electric Power Cooperative
CEO and Chief Scientist, Environmental Health Sciences, VA
Chief of Binding and Collections Care (Library of Congress)
Co-director and co-founder, Chemicals Health and Environment Monitoring Trust
Columbia Art League
Department of Philosophy and Religious Studies - International Affiliate, Indiana University, US
