On October 20<sup>th</sup>, 2008, the Missouri Review presented our annual Peden Prize to Molly McNett, whose story "Quichè Lessons" appeared in our summer 2007 issue. As part of the evening, Molly read an abridged version of her story. We're happy to present on this podcast our recording of that reading, introduced by Associate Editor Evelyn Somers. This recording was produced by Caitlin Garling.

**Molly McNett's** first publication appeared in *The Missouri Review* in 1997. Others have appeared in the *New England Review*, *Black Warrior Review*, *Other Voices*, and elsewhere. [2007]
