Danielle Ofri: from Chapter 1 of Incidental Findings: Lessons from My Patients in the Art of Medicine

Danielle Ofri reads from her book Incidental Findings: Lessons from My Patients in the Art of Medicine.

Danielle Ofri’s most recent book—Medicine In Translation: Journeys with my Patients—is about the experience of immigrants and Americans in the U.S. health care system. Her two prior books about life in medicine are Singular Intimacies: Becoming a Doctor at Bellevue and Incidental Findings: Lessons from my Patients in the Art of Medicine. She is the editor-in-chief of the Bellevue Literary Review and lives in New York City. www.danielleofri.com
