Teaching Healing Discovery Service

It is through generous support that the MU College of Veterinary Medicine has become a leader in providing excellence in education, animal disease diagnosis, patient care, public awareness and research. Individuals and corporations from all over the world are making a difference everyday by providing support of facilities, programs, students and faculty. From planned giving to pet memorials, your gifts will be put into action for the protection on animal health, public health and the advancement of medical knowledge.

We thank all our many friends of the College and welcome you to join the CVM family by taking action today to support the MU College of Veterinary Medicine.
