What tools and resources do you need to fulfill your advanced computing and research mission? Please let us know! The Division of IT and the Cyberinfrastructure Council want to provide you with the tools and technology you need to be successful, but your input is critical to that undertaking. Help us help you! Your input is vital to us so we can provide the best resources and services possible.

Return this feedback form to be entered in today’s raffle. Prizes, provided by TigerTech, include a HP Wireless Deskjet printer, PMX 680i Sport headphones and a $50 Mizzou Store gift card.

Event Evaluation

1. Are you: Faculty □ Staff □ Student □ Other □

2. Do you know researchers at MU who would like to have their work showcased as an example to help other researchers learn how to effectively use CI? Please identify: _______________________________________________________________

3. What did you like best about CI Day? _______________________________________________________________

4. What about CI Day could be improved? ______________________________________________________________
