

# THE UM STAFF ADVISOR

Volume 5 Issue 4

February/March 1993

## Notes from the Chair.....

*The council members you have elected to represent UM Staff have the unique charge and opportunity to present questions of equity directly to upper administration levels of the university. Questions or concerns can be voiced by contacting a member of the UM System Staff Advisory Council.*

*Sincerely,  
Ron Parker, chair  
UM Staff Advisory Council*

## 1993 UM SYSTEM STAFF RECOGNITION AWARDS

Nomination forms for the Fourth Annual Staff Recognition Awards were mailed out the first week of February. All nomination forms are due back by March 12, 1993. (Deadline has been extended one week.) Three finalists will be selected in each of the following categories: Administrative/Professional, Service and Support, and the President's Award. The award recipients will be named at the Awards Ceremony on Wednesday, May 19.

If you did not receive a form or have any questions, contact any member of the Staff Advisory Council.

Please consider taking the time to nominate a co-worker who deserves special recognition for their contributions to the University.

## "PEOPLE CARING & SHARING.."

Is the theme for this year's Staff Recognition Week's Picnic for all UM Staff and Retirees. The picnic will be held at Bethel Park on Friday, May 21, 1993, from 11:00 a.m. to 1:30 p.m.. Highlighting the picnic this year will be the Final Championship Volleyball game, the infamous dunking booth and door prizes.

This year, we would like to emphasize our generosity toward the needy by holding a food drive for the Food Bank. Suggestions of food to donate are baby foods, canned goods and macaroni & cheese dinners.

Come and join in on all the fun!!! See ya there!!

## Questions/Comments Anyone??

In the past couple of newsletters, you have read about the Child Care Facility we are attempting to provide for University staff. Becky Bohlmeier, Chair of the Staff Benefits Committee for SAC, has provided this information to pass on to you.....

We are now into the final stages of negotiations with La Petite for a Child Care Facility that will be located on the MU Campus east of Ronald McDonald House. We hope to have these finalized and ready to present at the March meeting of the Board of Curators.

The advantages of having a Child Care facility on Campus are numerous. It will be close to everyone's work place, which should be especially advantageous to nursing mothers. The extended hours, 6:30 a.m. to 7:30 p.m., should help those employees who work shifts other than 8 to 5. Being located on Campus also gives parents the opportunity to drop in during the day, especially at lunch time, to check out the programs that La Petite provides and see how their child is doing in that environment. Wouldn't you also love to be able to have lunch with your children more often? La Petite has an "open door" policy, so you would be welcome to visit the facility at any time.

A couple of other "pluses" we are hoping to work out are a sick care facility in conjunction with the University Hospital, and an educational affiliation with the College of Environmental Sciences.

I know a lot of you are asking, is this going to save me money and, if I don't use the facility, am I still going to be paying for it? The rates are comparable to other facilities in Columbia, with rates for infants and toddlers running a bit less. If you have more than one child attending this facility, there is a 10% discount for the 2nd child and 50% for each remaining child. You will also have two weeks per year that your child may be absent without charge. If you DON'T send your children to this facility, there will be NO cost to you.

As a member of the Staff Benefits Committee, I have been involved in the selection process and I am very excited about having La Petite build and run this facility as a part of the University of Missouri. I have no children of my own, but I was so impressed with La Petite's facility in Kansas City, and their management, that I know I would love for a child of mine to be in such a facility.

## FEB. SAC MEETING TOPICS

### \* STAFF BENEFITS

If all goes well, the final contract for a child care facility will be presented to the Board for approval at their March meeting. See Questions/Comments Anyone?? for detailed information.

Sam Kanatzar has been appointed to the Committee on Medical Insurance. This Committee, chaired by Ken Hutchinson, will study methods to control rising health care costs and make recommendations to University administration.

### \* STAFF RECOGNITION WEEK

A list of names has been approved by President Russell to serve on the Selection Committee. The Committee's first meeting is planned for March 9th.

### \* SUGGESTIONS

Regarding the smoking issue at Lewis & Clark Halls.....It was suggested that the vestibule off the Clark Hall Lobby be used in the same manner as the area at the north entrance of University Hall for a designated area for smoking.

### \* Salary & Wage

Leroy Schnieders, Chair, presented a preliminary plan proposed by the State that would diversify the use of current funds available for salary increases. This plan is not a request for additional funds. It does offer options for distribution of the total dollars available.

### \* Parking

A request for reassignment of night shift employees has been approved. It has, also, been suggested that officers run a check on license plates before towing.

## Happy Birthday to you....

## Happy Birthday to you..

*Those having birthdays in March are listed below. In order to make it easier, we are listing birthdays by date. Be sure to give a special HAPPY BIRTHDAY greeting to those on their special day.*
