Between You and [Marc-Mayes](#)

I've probably already said this but just wanted to let you know that your event was the best event that I have seen here on campus in a long time... probably EVER. Words can't really explain how well rounded of an event it was. It was not only entertaining BUT educational too. You were able to blend the two very well which everyone struggles with a lot of times. The fact that people willingly listened is MAJOR. Says a lot about the respect you have here on campus and the impact that you have made in your short time here. Definitely pumping a lot of inspiration in the souls of Black folk around here... mines included. A lot of great things are on the horizon. But yeh, thats it. Keep doing your thing... all day... every day... and I'll holla at you.

Thanks Marc. I really appreciate that my dude. I have heard a lot of positive feedback, now we have to help set it in motion. Thank you for your support my brother.
