Hey, All is well, thanks for asking. I hope you're doing great also. Just thought you should know I really enjoyed Beyond This Place it was very enlightening and informative. Please continue to expand your horizons...and as you grow please continue to share yourself with us along the way. Its not often that the community is exposed to a black male thats passionate about the positive, meaningful, and uplifting things that he does that... as well as takes the time to impart knowledge amongst his peers. I tip my hat off to you sir, keep up the outstanding work. Its greatly appreciated, and even more so, its needed.
