Voluntary Action Center

Services

VAC works to stabilize local families through its Family Assistance & Emergency Services, which focus on the areas of health, housing, employment, and education. VAC also serves as an information & referral hub in Boone County, referring clients to local organizations that meet needs within the county.

Programs

VAC puts on a number of seasonal programs throughout the year, including the Christmas Program, Homes for Computers, Lunch in the Park, the Summer Fun Program, the School Supplies Program, and Warm-Up Columbia.

Contribute

In order to continue to provide critical services to Boone County families, VAC needs the support of caring community members. To find out more about ways in which you can contribute to VAC's work in the community, visit our website.
