

ST. LOUIS

CHICAGO

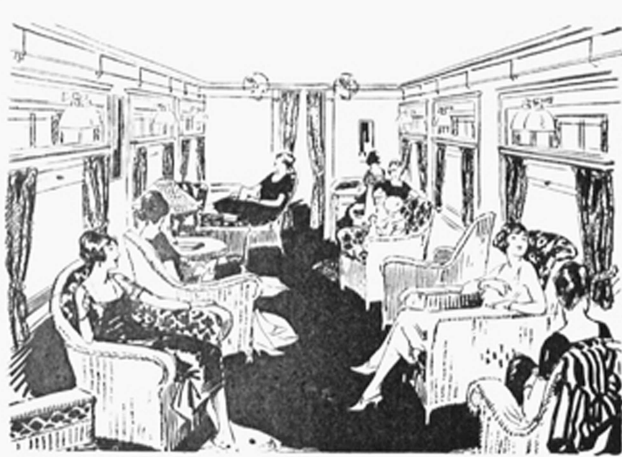

Travel Luxury

The Salon-Buffer Car

On the Diamond Special

The correctly appointed Salon-Buffer car on the Diamond Special will fully meet the most exacting requirements of every traveler. Commodious arm chairs, deep seated circular lounges for friendly groups, spacious shower bath and dressing room, telephone and valet, are just a few of the many conveniences that make this "the finest overnight train in the world." Luncheon served after 9:30 p. m., also varied breakfast menu in the salon's buffet. Leave St. Louis 11:30 p. m., arrive Chicago 7:23 a. m.

The Library-Lounge Car

On the Daylight Special

Illinois Central introduces another innovation with the recent inauguration of the Library-Lounge car on the Daylight Special. The ladies' section of this charming car is as tastefully furnished as a luxurious sun parlor. Here women may enjoy privileges heretofore afforded men only. The men's club section has long been a distinctive feature of the Daylight Special which is the only day train offering women's club and men's lounge facilities between St. Louis and Chicago. Leave St. Louis 9:00 a. m., arrive Chicago 4:45 p. m.

The Illinois Central Woodlawn (63rd Street) Station is the nearest depot to the University of Chicago Campus.

Vol. XIII. No. 2

OCTOBER, 1924

COLUMBIA, MO.

Memorial Mass Meeting October 28 Starts Campaign Among Students

George C. Willson, Jr., St. Louis and Frank McCaslin, Kansas City,
Will Be Principal Speakers—City Drive to Begin
Evening of October 27.

The atmosphere in Columbia is saturated with interest and activity regarding the Memorial Union and Stadium plans. On October 28, 29, and 30, the final effort will be made to complete the Memorial Campaign in Columbia.

There are 3655 students in the University, the largest enrollment in the school's history, and those who have not already subscribed will be asked to take out a Life Membership of \$100 in the Memorial Stadium.

Joe Simpich, who has been on the Memorial Committee of Nine, is chairman of the Student Campaign and has perfected a wonderful organization among the students. He is going to put on a Memorial Mass Meeting October 28, in the auditorium that will be a "stunner" in every particular. The auditorium will be decorated as it has never been dressed up before. George C. Willson, Jr., of St. Louis, and Frank McCaslin, of Kansas City, will be the principle outside speakers.

There is a Student Executive Committee composed of Joe Simpich, Russell R. Casteel, and Miss Phoebe Louise Wright. Harry Ferguson is in charge of publicity; G. N. Elliott, advertising; W. J. Hodge, construction and W. G. McAfee, education and speakers. The Student Advisory Committee is composed of the presidents of the various divisions of the University as follows: Erwin Elting, Graduate; A. W. Klemme, Agriculture; Chas. T. Wiggins, Arts & Science; Arthur Ocker, B. & P. A.; Jane Peyton, Education; Robert Johnson, Engineering; A. Tillman Merritt, Fine Arts; Mary Virginia Doerschuck, Journalism; Henry Depping, Law, and James R. Barnes, Medicine. Each of these divisional student presidents has appointed a Memorial Campaign Chairman and these chairmen have in turn, selected committees in their divisions to get the subscriptions. A prize of \$100.00 has been offered to the division which first turns in a 100% subscription.

Daily luncheons will be held on the three days of the student campaign and local and outside alumni speakers will inspire the solicitors. A big sign board on the campus will tell each minute the progress of the campaign. Official campaign headquarters will occupy the entire corridor of the first floor of Jesse Hall.

Prof. L. M. (Daddy) Defoe, is chairman of the campaign among faculty members and University employees and has appointed solicitors in every building on the

campus for this campaign to be waged October 28, 29, 30. Much interest is being manifested on the part of the University folk in the Memorial Campaign. President Stratton D. Brooks is giving unsparingly of his time and thought to the Memorial Campaign plans.

S. Frank Conley of the Boone County Trust Company of Columbia, is chairman of the City Campaign and this campaign too, will be put on during the days of October 28, 29 and 30. The City Campaign will open the evening of October 27, with a meeting of all the University faculty solicitors and solicitors from down town, dinner meeting. A complete survey has been made of Columbia in order that the solicitors will have no difficulty in reaching those who have not already been solicited and Chairman Conley expects unusually good results from the City Campaign. Daily luncheons will be held at the Daniel Boone Tavern on these three days which will be attended by city and University solicitors. They will be presided over by Dr. J. C. Jones, Director of the Memorial Union and Stadium Campaign.

The State-Wide Campaign among the alumni and former students will be carried on November 8-15. A Memorial Campaign Chairman has been appointed in every town in the world where there is one or more alumni and has been notified of his appointment, told of the importance of the Campaign to the alumni; detailed information and instructions have been sent to these chairmen and their attention has been called to the fact that if the World-Wide Campaign among the alumni is not successful it will be the fault of the alumni themselves. A chairman has been appointed and the World-Wide Campaign is responding promptly and enthusiastically. The success of the final effort for completing the Memorial Union and Stadium Campaign is practically assured.

The presidents of the 114 County Alumni Associations have been invited to Columbia to attend the conference on Saturday morning October 25, at which time they will be given instructions and information helpful to them in assuming the responsibility of the success of the County Campaigns in Missouri during the week of the World-Wide Campaign, November 8-15. After they attend this conference, they will be in a position when they return to their respective counties, to call a conference of the Town Chairmen in their counties and impart to them the

information and instructions to be followed in successfully conducting their campaigns. The presidents of the 114 County Alumni Associations will be asked to call a meeting of the alumni in their respective counties to put the campaign over in big style. The Memorial Committee has worked diligently and energetically, almost solidly, for weeks in perfecting these Memorial Campaign plans and it is now up to the workers for its success.

Alumni Dinner-Meeting At Lincoln, Nebraska

Mrs. C. C. Wiggins, secretary of the Lincoln, Nebraska Alumni Association, wishes to announce to all the alumni and former students that there will be an alumni dinner-meeting at Lincoln, Neb. the evening of October 31, Friday (the evening before the Nebraska football game). The alumni and former students are urged to make reservations to Mrs. C. Wiggins, 613 West 6th University Place, Lincoln, Nebraska. This is going to be a very important and worth-while party. Make arrangements to attend!

Univ. Women Asked Not To Go As Dates To Football Games.

The "Thundering Thousand" has been organized for the football season and will be under the direction of Wesley McAfee. A section will be reserved for them at the Home-Coming game with Kansas. Every member of the "Thundering Thousand" must hold a season ticket for the games and will meet at the Columns before every home game and go to Rollins Field in a body.

The student council has passed a resolution asking that no student take a date to a football game and appealed to the University women not to go to the games as dates.

"A football game is not a social event," Chester L. Brewer, director of athletics, points out, "We need a fighting spirit at the games. This can best be effected when there are no dates and both men and women are free to give all possible aid to the team and the spirit of the institution."

The varsity cheer leaders are particularly strong against dates, claiming that a man with a date will not make a noise.

Both men and women have received the suggestion of dateless games favorably, and the man who drags a date out to a football game on Rollins Field this fall will find himself mighty unpopular.

New Law Building Will Be Combination of Brick and Stone

The new building for the School of Law made possible through the gift of Mr. and Mrs. Frank R. Tate of St. Louis, will be built on the southeast corner of Francis Quadrangle which is at the corner of Ninth and Conley. The building will be a combination of stone and brick which will harmonize with Jesse Hall on one side and the Library building across Ninth Street. Plans were announced as complete after a meeting September 22, of Mr. Tate, Pres. Stratton D. Brooks, Dr. J. C. Jones and James P. Jamieson, the architect. The plans must still be ratified by the Board of Curators.

Entrances to the building will be from Ninth street and from the campus. The former entrance, owing to the slope of the ground, will be on the second floor while the campus entrance will be on the ground floor. There will be three floors in the building as seen from the campus. The ground floor will be well lighted and available for clubrooms to be used by the law students while the second floor will be taken up by three large classrooms. On the third floor will be the library and the offices of the dean and the instructors. The third floor will have a high vaulted ceiling and will be only one room with a mezzanine floor running half the length of the building on two sides. Offices will be built under this mezzanine floor. At one end of the room will be tables and desks for study and the other half of the floor will be taken up by the library. In the center and at one side will be the librarian's desk. When it is necessary to enlarge this room it will be possible to build more offices or to place more books on the mezzanine floor.

The Ninth street entrance, which may be considered the main door, will face a

small sunken garden similar to the one between Jesse Hall and Conley Avenue. Plans for this entrance are being made to fit in with scheme of architecture which will be carried out in extending the present Library Building to Ninth Street.

Mr. and Mrs. Tate were in Columbia for the conference of the location of the building.

Ask For Parlors In Jesse Hall.

A regular meeting of the St. Louis Association of University of Missouri Alumnae was held at the home of Mrs. James L. Mackay, 3640 Shaw Avenue, October 3. A resolution was passed to ask the University authorities to restore the Women's Parlors on the second floor of Jesse Hall. Plans were discussed for a bridge party to be given for the benefit of the scholarship fund, and committees were appointed for the year. Miss Ruth Ferris, 823 Clara Avenue, is secretary of the St. Louis Alumnae Association. This organization is doing splendid work for the University.

All graduates and former students of M. U. engaged in school work

Hail! Hail! The gang'll be here

In fair or stormy weather,

Here we'll be together;

Hail! Hail! The gang'll be here; for

WHAT? The Missouri Alumni Dinner

WHEN? Thursday, November 13, 6 p. m.

WHERE? Hotel Baltimore, Headquarters of M. S. T. A.

PRICE? One Dollar and Fifty Cents

Spirited singing led by Charles S. Parker

Music by George Keenan's Westport Sycopating Youngsters

Reading by Anna Curry, seen as Puck, Juliet, and Countess Cathleen at
M. U. in '16, '17 and 1918.

A Word of Greeting from Bob Hill. And Dr. Albert K. Heckel, Missouri's
new dean of men.

And, too, the program, we would feel

Quite incomplete without Dean Neale,

So, The Dean we shall hear, and others probably,

But The Dean, Our Dean, most assuredly.

SO COME! COME ALL! TO THE FESTIVE HALL!

The Post Card return, thus answering the call.

If you will be there

Kansas City, Mo.

M. U. Kappas Organized in '79.

Mrs. Frances S. Hosmer, formerly Miss Frances S. Broyle of Maryville, Mo., who was enrolled in the University in 1882, now of 18 Boulder Crescent, Colorado Springs, Colo., has contributed the following information relative to the organization of Theta Chapter of the Kappa Kappa Gamma sorority at the University of Missouri:

"It was the fall of '79," writes Mrs. Hosmer. "Miss Josie Lathain, a former Vassar girl, comes out to Columbia to spend the winter with her mother whose husband, a minister, had charge of the Baptist Church there. While in Columbia Miss Lathain took special work at the M. U. and organized Kappa Kappa Gamma. As I recall them the names of the Columbia girls were Miss Lathain, Ida Aldrich, Jennie Banks, Kate Hayes and myself, (Frances S. Broyle of Maryville, Mo.). We had no regular place of meeting and our social affairs for the two years I was an active member were quite limited. The second year we had nine members. I recall this for each was given the name of a muse."

Alumni Give Picnic At Minneola.

The alumni and former students of the University in Montgomery County, Mo., held their first picnic at Graham's Rock near Minneola, September 6. Miss Maude Pittenger, of Bellflower, Mo., is secretary of the Montgomery County organization and is given credit for the wonderfully fine picnic. There was a heavy rain on the day of the picnic which cut down the attendance.

Mrs. Robert Donaldson, of Montgomery City, sent a large cake to the picnic in memory of her son Roy Earl, an alumnus of the University who lost his life on the Mexican Border September 2, 1915.

After the picnic dinner, the old students present told of their activities in school and pledged their help to the University. Dr. G. E. Munns, M. D. 1880, formerly a member of the Board of Curators, and Mr. Ben Graham told of the school in days of long ago. The Montgomery County alumni plan to make this an annual affair.

ALUMNI RALLY DINNER MEETING IN OKLAHOMA CITY, NOV. 7.

W. E. Price, Secretary of the Alumni Association of Oklahoma City, and Judge Hal C. Thurman, the president, are issuing invitations to all the Alumni and former students in the state of Oklahoma and all others to attend the Alumni Rally dinner-meeting at 6:30 Friday evening, November 7, (the night before the Missouri-Oklahoma game at Norman) Oklahoma Club Building, Oklahoma City. Alumni and former students who are going to see the Missouri-Oklahoma football game cannot afford to miss this alumni rally dinner. Reservations for the dinner should be made by writing to Mr. Price, 605 W. Main Street, Oklahoma City.

President Stratton D. Brooks, Coaches Henry and Kipke, Arthur Bond-captain football team; C. L. Brewer, director of athletics; Dr. J. C. Jones and others have been invited to make talks.

Missouri Victory at Chicago Is Surprise of Early Football Season

The Chicago Game—Missouri 3—Chicago 0. Stagg Field October 4. Both bleachers were packed, especially the Missouri side and there were Missourians in attendance at that game from every section of the country. It was said that the attendance at the Missouri-Chicago game was more representative of sections of the country than at any other gathering outside of Columbia.

Missouri kicked off, Chicago returned the kick and then things started but the Tiger team fought and fought and there was never a time during the whole game that the Missouri goal was in grave danger. Richerson was doing the punting for Missouri and had two punts blocked which worried the rooters to beat the band but this was soon corrected. Coglizer, a sophomore, made the kick which scored the three points, in the second quarter. Missouri outplayed Chicago in every quarter and the Tiger line held firmly against the onslaughts of the Maroons. The game was one of the fastest ever seen on Stagg Field and was probably the greatest surprise of the entire football season. Thirty-two hundred spectators were present. Van Dyne started the excitement by blocking a punt on the Chicago twelve yard line and then Missouri worked up to their

eight yard line when Coglizer dropped back to the sixteen yard mark and kicked a goal from placement.

Coglizer tried three other place kicks—two went wild and the last one, which failed, was made just as the gun was fired closing the game. It was said that Coach Stagg used every available player to try to stop the Tigers. Missouri made very few substitutions. Palermo went in for Richerson; Tuttle went in for Thomas. Every Missourian played a good game. Captain Bond starred through the whole performance, as did every other Tiger player. Jackson was a most agreeable surprise at quarter back for he played a stellar game, fighting every minute and using his head. Thomas has proved his worth and will doubtless make one of the best full backs that Missouri has ever had. Whiteman was wonderful with his forward passes. Johnnie Walsh played a game at right end that will be hard to equal. Van Dyne played the best game of his career and Richerson was going good until he became ill. Smith was playing that customary smashing game that he plays at center. Lewis at left guard and Stafford at left tackle, were in every play. Coglizer had to do the punting when Richerson was taken out of the game and did a good job

of it. Palermo was a whirlwind, Tuttle made good and Swofford won a home in the hearts of Tiger Supporters. The Tigers played smart football.

Between halves the Missouri Band, finest old band in the country, played "Old Missouri" in "M" formation, then made a "C" for Chicago and played "Dixie." Our band is dandy and one of the most creditable organizations on the campus. Rooters conducted themselves splendidly, the team fought like a bunch of demons and Coach Stagg complimented Mr. Brewer upon the showing made by the Missourians.

The game was one of the sweetest which has ever been played, from the Missourians viewpoint, and was the surprise of the early football season. It was the first game Chicago has lost to a team outside of the Big Ten in many years, with the exception of the game with Princeton. The value of the victory in publicity to the University cannot be estimated. It is hard to describe the thrill that the alumni and former students had in watching the game but the following may give one an idea of just how sweet the victory was to the average alumnus: Forrest S. Lyman came all the way from New York City for the Alumni Dinner and the game. After the game when "Old Missouri" was sung with fervor and zest and the lull of the close was hovering over the crowd, Lyman walked over to where Warren Browne and

Corner Stone For Methodist Women's Dormitory Is Laid.

The corner stone of the Methodist Women's Dormitory which is being built on property formerly owned by Mrs. Mitchell on the north side of University Avenue between 9th and Hitt Streets was laid on Sept. 11 under the direction of the Grand Lodge of A. F. and A. M. The ceremonies were conducted by the Rev. Arthur Mather of Ferguson, grand chaplain of the Grand Lodge. Addresses were made by Bishop W. F. McMurry, president of Central College, Fayette, Mo., President Stratton D. Brooks, of the University of Missouri, and Mrs. J. W. Downs of Nashville, Tenn., a member of the board of control.

Mrs. Downs in her address traced women's part in the history of education. "It was not so many years ago that women had no part in the educational institutions of this country," she told the audience. "Girls who desire academic training were permitted to attend a college or school after the men had left in the summer time. Sometimes they could go after school hours, but there were no facilities for girls, and no effort was made to give the girls academic knowledge."

"The student is under the direct eye of the professor only one-tenth of the time," President Brooks said at the dedication. "What does he do the other nine-tenths? The student rarely gets into trouble while he or she is in class; it is the leisure time when the students are apt to find themselves in some kind of trouble."

President Brooks pointed out that buildings of this nature were a necessity to carry on for the women students the high standards of conduct which they had learned at home. Morality is not learned in the classes, Doctor Brooks told his audience; it is obtained from association, and the new dormitory will be nothing more than a mass of bricks unless the right kind of a woman is placed in charge to give the girls advice and moral instruction. "It is to protect the leisure hours of the girls of our land," Doctor Brooks said.

67 Former Students Visit M. U.

The following alumni and former students visited the University during September: Nelson C. Tisdell, A. B. '20, of Boston, son of Dean and Mrs. F. M. Tisdell; Edwin A. Mayes, B. S. in Ag. '21; John W. Hudson, A. B. '13, Attorney at Law; Geo. R. Combs, democratic nominee for congress and Walton H. Holmes Jr., president of the Kansas City Alumni Assoc and "Jimmy" Wilde, all of Kansas City; Edgar A. Shook, Marshall; Cornelia Compton, St. Louis; E. E. Bass, B. L. '83, Greenville, Miss; R. F. Moss, B. S. in C. E. '04, 79 Kogai-Cho, Azabu-Ku, Tokyo, Japan; Odon Guitier Jr., Kansas City; Mr. and Mrs. Edwin W. Patterson, New York City; Dr. A. J. Campbell, president of the Pettis county alumni association; Sallie Love Banks, A. B. '23, Memphis, Tenn.; James Patton, in care of Decatur Herald, Decatur, Ill; Frank Houston, A. B. '22, B. J. '23, St. Louis; Dr. James Allee, Eldon; Mr. and Mrs. Bryon Spencer, St. Joseph, Mo. Olivia Brackett, Ft. Worth, Tex; Edwin Stark, Louisiana; Howard Rusk, St. Louis; Frank Hodges,

Olathe, Kas; Warren Coglizer, cheer leader 1920, Joplin, Leon Noel, who has been teaching at Tarkio for the last two years is at Harvard this winter. Duane Lyon, Kansas City; John R. Morris, B. J. '22, Japan Advertiser, Tokio; Dr. Ellsworth E. Moody, A. B. '12, Joplin; W. B. Burruss, 214 N. District National Bank Bldg., Washington, D. C., David Leitch, 421 State House, Jefferson City, Mrs. J. E. Hicks, Bristol, Tenn., Frank Ridgeway, Agricultural Editor of the Chicago Tribune; Roscoe Hill, B. S. in Ag. '23, former football player, Norborne; Jerry Culbertson, '96, Kansas City; Mr. and Mrs. Edward Thornton, Tulsa, Okla; Herley Daily, L. L. B. '10, District Manager, Connecticut Mutual Life Insurance Company, Kansas City; Miss Aileen Case, Wright City; Paul Arthur, A. B. '15, Attorney, U. S. Rubber Company, New York City and Mrs. Arthur and their three year old daughter; Joseph G. Hawthorne, Kansas City Testing Laboratories; Herleys Daily, Kansas City; Mr. and Mrs. Fred M. Dearing, American Legation, Lisbon, Portugal; Warren W. Browne, St. Louis; George C. Willson, St. Louis, Howard Chilton, Kansas City; Miss Dora L. Ingram, Montrey, Mexico, Harold S. Beighley, B. J. '24, Joplin; Charles A. Lee, State Superintendent of Schools. S. A. Kruse, Southeast Missouri State Teachers College, Cape Girardeau; Margaret Milton Sedalia; William F. Switzer, A. B. 1900, Banker, New York; Glenn Wright, Archie, Mo. Shortstop Pennsylvania National League Baseball Team; E. W. Clausen, wife and daughter of St. Louis; Brutus Hamilton, Fulton; Irwin Raut, '98 and wife, Granite City, Ill; Cloyd A. Mason, Elkins, Va; Mrs. Oscar Stoutz, Detroit, Mich; W. N. Deatherage, Maryville; Benton S. Gabbert, A. B. '22, St. Louis; W. C. Wheeler, B. S. in E. E. '21, and wife, Chicago.

Basketball Schedule Is Announced.

Missouri's basketball schedule for the coming season has been announced as follows:

January 8—Ames at Ames.
January 9—Drake at Des Moines.
January 10—Grinnell at Grinnell.
January 17—Oklahoma at Columbia.
January 24—Drake at Columbia.
January 27—Washington at St. Louis.
February 2—Washington at Columbia.
February 7—Ames at Columbia.
February 9—Kansas Aggies at Manhattan.
February 10—Oklahoma at Norman.
February 14—Kansas at Columbia.
February 20—Grinnell at Columbia.
February 21—Nebraska at Columbia.
February 27—Nebraska at Lincoln.
February 28—Kansas at Lawrence.
March 4—Kansas Aggies at Columbia.

Varsity basketball practice started here in October under the guidance of Coach George Bond. Twelve men reported for practice. The veterans from last year's squad who are practicing are: Captain Wheat, Meeker, Buchner, Fordyce and McMillan. Walsh, Lewis, Whiteman and Smith, all of the squad last year, are out for football as are McDonough, Tuttle, Stuber, O'Sullivan, Bacchus and Swofford.

First M. U. Football Team Was Organized September 10, 1890.

You have heard fellows start out to tell a story with the statement, "I can remember away back when-----?" Well, here is a story which comes first hand, not alone from memory but from records as well, from "away back when."

Richard S. Brownlee, LL. B. '90, is now in the banking business and practice of law at Brookfield, Mo. He entered the University in 1887 and kept a diary of his University days. Under the date of Monday, September 10, 1890, in the little book which he carried with him during his school days, appears this note, "clear and warm. No school on Monday but Saturday instead. Held a meeting at 10 a. m. in the Athenaeum Hall in the main building (back of where the columns now stand)." It was there and then that Dick Brownlee acted as chairman of a mass meeting which brought into being the organization for the University of Missouri football team.

Burton Tompson, B. L. '92, of New York was elected captain of the team and it was at this meeting too, that the colors were adopted, then known as black and orange, now known as old gold and black. Brownlee made the principle talk at this meeting which was attended by Curtill Hill, John Henry La Motte, Geo. Whitsett, Paul Evans, A. L. McRea, Hiram Phillips, John Hubbell, Ed Watson, Tom Maston and many others, for there were between one hundred and one hundred-fifty attending such a meeting but there were not more than five hundred enrolled in the school and not more than sixty or seventy girls.

Mr. Brownlee is the father of two University of Mo. boys, Rollins and Ellis Brownlee. Rollins was prominent in athletics in the University and is now in the Commerce Trust Co. of Kansas City. Ellis married Miss Mary M. Shore and is associated with his father in business at Brookfield. All three are members of the Sigma Nu fraternity and are staunch supporters of everything which has to do with helping the University of Missouri.

Bengal Squad Nicely Balanced

Coach Gwinn Henry has a nicely balanced aggregation of football players this fall, in so far as weight is concerned. Most of the men weigh around 180 pounds, none of them below 175 pounds and few of them above 185 pounds with the exception of the Giant Texas Guard, Doss Richardson, who trembles the scales to 212 pounds and is going up.

The average weight of the Bengal backfield squad is 158 2-3 pounds, while the linemen average 181.

Individually the backs stack up as follows: Captain Bond, 173, Whiteman, 168, Simpson, 165, Swofford, 148, O'Sullivan, 148, Steuber, 145, Tuttle, 160, Thomas, 173, Adams, 172, Jackson, 182, Moulder, 140, Hicks 155, Underhill, 148, Casteel, 153, Faurot, 152.

The weights of the line candidates: Smith, 173, Ferguson, 175; Lewis, 185, Etter, 178, Palermo, 178, Richerson, 212, Gibson, 175, Stafford, 185, Lindenmeyer, 182, Van Dyne, 186, Edgington, 170, Walker, 183, Walsh, 175, Bacchus, 180, Coglizer, 175, Rositzky, 185, McDonough, 180, Milligan, 190.

Thirty States Represented at M. U.

"Old Missouri" has reached the highest point in her history from the standpoint of the number of students enrolled, with 3655 resident students taking work in all departments of the University this term.

All the counties of the state, except five, thirty states of the Union, and the District of Columbia are represented in this enrollment. Students are here also from six foreign countries and from two of the territories of the United States.

Boone County leads the counties of Missouri with an enrollment of 736 students, 701 of whom live in Columbia. Next to Columbia, the chief center of enrollment is from Kansas City with 334 students, followed by St. Louis with 235. Jasper County is fourth with 96.

Oklahoma leads the list of states other than Missouri, an honor she has held for many years, with 112 students taking work here. Illinois is second with 51. Third and fourth places also go to states joining Missouri, for Arkansas has 42 students here, and 30 student from Kansas owe residence allegiance to the Jayhawk state and academic allegiance to Missouri.

Following in order of enrollment are the rest of the states: Texas, 32; Iowa, 26; Louisiana, 13; Colorado, 10; New York, 8; Kentucky, 8; New Mexico, 8; South Dakota, 7; California, 5; Ohio, 5; Alabama, 4; Minnesota, 4; Tennessee, 4; Wisconsin, 4; New Jersey, 3; Nebraska, 3; Florida, Indiana, Massachusetts, Pennsylvania and Wyoming each have two students; and one representative has enrolled from each of the following: Georgia, Montana, Oregon, South Carolina and Vermont. Two students are enrolled from the District of Columbia.

Of the foreign countries represented, China leads with nine students. Seven are from South American countries, two are from Japan and three are from Russia.

Besides the residence students listed above there are more than 1,500 who are taking extension work. The Missouri State School of Mines is not included in this report.

There are 3655 students enrolled in the

University this semester, according to an announcement October 14, by S. W. Canada, Registrar. The students enrolled are divided among divisions as follows:

	Men	Women	Total
Agriculture	312	25	337
Arts	1127	685	1862
Bus. & Pb. Admin.	133	20	153
Education	33	295	328

Total number of students at same time 1922.....3600

Dr. Orr Heads Surgical Dept.

Dr. Thomas Grover Orr, A. B. '07, M. D. John-Hopkins '10, a physician of Kansas City, has been appointed as head of the surgical department of the school of medicine, of the University of Kansas. Dr. Orr lives at 635 Greenway Terrace, Kansas City and is on the surgical staff of St. Luke's Hospital. He was married to Miss Irene Helen Harris. They have one son.

Dr. Orr is a member of the Beta Theta Pi, Phi Mu Alpha and Q. E. B. H. fraternities was a member of the Glee Club for four years and president of the Senior Arts Class. He has been a member of the faculty of University of Kansas School of Medicine and Associate Prof. since 1910. He is a Fellow in the American College of Surgeons and American Medical Ass'n, is a member of the Western Surgical Ass'n. and president of the K. C. Academy of Medicine.

Dr. Brooks Predicts Successful Year At First Mass Meeting.

The first 1924 football Mass Meeting was held in the auditorium on the evening of October 2, and it was a most enthusiastic gathering. The Missouri Band made its first appearance under the direction of George Venable and played "Dixie" and the other football music which stirred the hearts and souls of those present. The newly elected cheer leader, Doc. Miller, was on hand and for a beginner he looked like a veteran cheer leader.

Dr. Stratton D. Brooks brought the Tiger enthusiasts to their feet with cheer and applause when he predicted a successful season for the Tigers.

C. L. Brewer told of the plans for the Chicago trip.

Warren W. Browne, president of the St. Louis Alumni Association, represented the alumni at the mass meeting and brought home forcefully to the students the very important part that they have to play in order to have a successful athletic season. He told them it was necessary to give support to the teams and to the players, to the extent that they would see to it that representatives on the team would not break training or do anything in any way that would hinder their best work on the field. The action among the students to Mr. Browne's address was remarkably fine and his appeal for co-operation from the students is going to help materially to make this spirit on the campus.

Geo. C. Willson, Jr., of St. Louis, attended the Mass Meeting.

Following the mass meeting the members of the student body assembled at the Rothwell Gymnasium where the members of the foot ball squad were loaded into wagonettes and pulled by freshmen to the Wabash station. Upon arrival at the station, Coach Arthur Bond addressed what is said to be the largest crowd that had ever assembled to send the Tiger team away.

The members of the team and the coaches arrived in Chicago on Friday afternoon. A special train carried the students and the band, which arrived in Chicago on Saturday morning, October 4.

Francis Darr, of Chicago, had charge of the band upon its arrival and furnished two big motor busses to haul the members of the band around Chicago, to the field and to the Cooper-Carlton Hotel. 125 alumni from Kansas City arrived Saturday morning under the leadership of their president and secretary, Walton H. Holmes, Jr., and Geo. Charno. Kansas City made a mighty good showing.

Walter Robertson of Marshall, Mo., an erstwhile Tiger supporter, went up with the team and helped lead the yells during the game.

Varsity-Freshman Game Is Played.

The Varsity-Freshman football game played September 27 resulted in a score of 25 to 0 in favor of the Tigers. A driving rain lasted through the whole afternoon but in spite of this a good crowd was in the bleachers. Almost every man on both squads was given a chance in the game. Clingenpeel of Kemper was referee, Blumber of Missouri was umpire and Roscoe Hill of Missouri was head linesman.

Sears Is Secretary of Bar Ass'n.

Kenneth C. Sears, A. B. '13, of the School of Law, was re-elected secretary of the Missouri Bar Ass'n. at its meeting in Joplin, October 4. Dean McBaine attended the meeting. Other officers elected are: President, Senator X. B. Wilfley, St. Louis; first vice-president, Gay Wood Scott, Joplin; second vice-president, E. L. Alfred, Perry; third vice-president, I. M. Watson, Kansas City; treasurer, James E. King, St. Louis. Judge Charles L. Henson of Mount Vernon, was elected to fill a vacancy on the executive committee.

The Association indorsed a bill to be presented to the Legislature, proposing that the standard for entrance to the bar in Missouri be raised to comply with the Missouri Bar Association standards. Under this bill, candidates for the bar will be required to have finished two years of college work and three years in an accredited law school.

Weekly Luncheons Are Given By St. Louis Alumni Association.

The St. Louis Alumni Association under the guidance of its president, Warren W. Browne, and its secretary, Elmer H. Kershaw, have sent out the following announcement to the St. Louis alumni:

"Of particular interest to the men is the announcement that WEEKLY LUNCHEONS ARE NOW BEING HELD ON THURSDAYS AT 12:30 P. M. AT THE NEW CITY CLUB, 12th FLOOR, ROOM C. The luncheons are held in a private dining room and a bulletin board on the main floor of the Club gives specific information concerning the exact room, in case you forget. It is hoped that these luncheons will become a permanent institution of the Alumni Association; that in these gatherings there will be found the opportunity of broadening and deepening Missouri acquaintances and friendships, the dissemination of Missouri gossip and news and the ultimate building-up of a strong cohesive Missouri group which will yield and command power and prestige commensurate with our importance as a large body of the University's sons. Younger Alumni are particularly urged to attend these Luncheons and to associate themselves with the work of carrying on and building a bigger and better Association."

Mr. Browne urges all Alumni, former students, and faculty members, when in St. Louis on Thursdays, to attend the luncheon.

To Give Medical Fellowships.

Medical fellowships, designed to recruit men and women as medical teachers and investigators, are being offered by the medical fellowship board of the National Research Council through the joint support of the Rockefeller Foundation and the General Education Board. The fellowships are open to men and women of the United States and Canada who possess an M. D. or a Ph. D. degree but are intended for those recently graduated rather than for those who are already professionally established.

Men are chosen at semi-annual meetings of the medical fellowship board in April and September. Applications for consideration at these meetings must be filed on or before March 1 and August 1, respectively.

Dean Mumford Is Honored.

A portrait of Dean F. B. Mumford of the College of Agriculture, recently painted in oil by Nyholm, nationally known artist of Chicago, now hangs in the portrait gallery of the Saddle and Siroin Club of Chicago. The members of the club decided upon this means of honoring Dean Mumford in recognition of his achievements as a leader in Missouri Agriculture.

The painting of the portrait was financed by students and alumni of the Missouri College of Agriculture with voluntary subscriptions prompted by admiration for their dean and teacher. The Ag Club and the Block and Bridle Club sponsored the raising of funds.

Missouri Victory at Chicago Is Surprise

(continued from page 23)

Elmer Kershaw were standing and as he looked over at the Chicago side of the field and a shadow was creeping across Stagg Field, he said very softly and gently: "Boys, that is the prettiest sunset I ever saw."

The lineup for the Missouri Chicago game was as follows:

THE LINEUP.

MISSOURI.		Position.		CHICAGO.	
Coglizerl.e.	Abbott	
Staffordl.t.	Hobschied	
Lewisl.g.	Pondelik	
Smithc.	Frieda	
Richersonr.g.	Pokeiass	
Van Dyner.t.	Henderson	
Walshr.e.	Barnes	
Jacksonq.b.	Curley	
Whitemanl.h.	Kernwein	
Bond (c.)r.h.	Thomas	
Thomasf.b.	Francis	

Officials—Referee, Don J. Henry, Kenyon; umpire, Major Henry, Westpoint; field judge, A. T. Sihler, Illinois; head linesman, W. C. Knight, Michigan.

M. U. Wins First Conference Game.

The Tigers won their first conference game from Ames at Ames October 18, before a Home-coming crowd of 14,000. After battling against odds for three quarters, the Tigers with a 21-yard pass from Whiteman to Bacchus sent a touch-down across the Ames goal line, and Johnnie Walsh booted the tie for a point for the Tigers victory 7-0.

More than 300 Missouri Alumni and former students were seated in a reserved Missouri section to help the Tigers win.

Ames opened up with a desperate aerial attack in the last few minutes of the play, flips from Roberts to Coe netting good gains at times. They were always halted in time by the tight defense of the Tigers, led by Captain Arthur Bond, who knocked down or intercepted pass after pass, or by the charging linemen, led by Chase Van Dyne, rangy tackle, who climaxed the game by throwing Roberts for a 16-yard loss on an attempt to pass on the last play of the game.

The game started with a rush by the Cyclones, who, with the advantage of the wind at their back, charged repeatedly into Missouri territory, carrying the battle to the Tigers for two-thirds of the time during the first three-quarters. But always the Bangals held at the critical point.

Then started the Missouri aerial march, Bond intercepted a long pass by Roberts, and took the ball back 22 yards to Ames 39-yard line. Bacchus went in for Coglizer at end for Missouri, and after a couple of futile attempts to pass, Whiteman hit tackle for 14 yards and first down on the 26-yard line. Thomas hit tackle for four yards, another pass failed, a line plunge gave 2 yards—and then the victory with a pass over the goal line.

Ames did not open with her vaunted aerial attack as soon as was expected, probably because of the fact that Missouri's defense against line play was not so good as was first expected, and the Cyclones were able to gain consistently in the first

two periods, rolling up first down after first down.

Willaman's Cyclones made a desperate bid for victory in the last ten minutes of the game. There was a Cyclone substitution in nearly every play, with all but Roberts, the Cyclones' passing ace, coming out of the game.

For Ames, the Behm brothers at hitting the line, and Roberts at passing, stood out. The Tiger defense, particularly that of VanDyne, Bond and Whiteman, was the outstanding feature of the Tiger game.

This victory topples Ames out of the lead for the conference title, with one defeat and one victory, while the Tigers jump into the limelight with a victory in their single conference start.

The lineup:

MISSOURI		Position.		AMES.	
CoglizerL. E.	K. Bond

Officials—Grover, Washington, referee; Carrithers, umpire; Reily, Georgetown, field judge; Lampke, Northwestern, head lines man.

St. Louis Alumni Association Holds Annual Dinner Meeting.

The St. Louis Alumni Association held its annual fall dinner meeting on the evening of October 1 at Dorr and Zellers.

President Warren W. Browne presided, and conducted a most interesting program. The attendance at the meeting was splendid. Cleveland A. Newton, LL. B. '02, St. Louis, member of Congress, made a most impressive talk, calling the attention of the Alumni to the duties they should preform to make the University of Missouri the best State University in the country and to be a help in every way for education in general.

P. E. Burton, a member of the Board of Curators expressed the importance of Alumni activity along most substantial lines, in other words he urged that the Alumni study the University problems thoroughly, and support broader policies which he said would cause the Alumni to love less blindly and to serve more intelligently. "The University of Missouri is almost a little world in itself," he said, "and the Alumni are expected to do their part in maintaining it."

C. L. Brewer, Director of Athletics told the Alumni about the football plans for this season and the details of the trip to Chicago.

Harry G. Kipke, the new assistant football coach pleased the audience by telling them of his football experiences and his hope and desire to do good work for the University of Missouri.

James L. MacKay, treasurer and Elmer Kershaw, Secretary, of the St. Louis Alumni Association made reports of their work.

There was dancing after the meeting.

Missouri Day Is Celebrated At Arkansas State Fair.

University of Missouri Day was celebrated in big fashion at the Arkansas State Fair by a big rally meeting and an alumni dinner at Little Rock, October 8. Approximately three hundred Missourians were there from not only all sections of the state of Arkansas but also from adjoining states.

E. G. Bylander, secretary of the Arkansas State Fair, and Roscoe Gillaspie, B. J. '24, Publicity Manager, left nothing undone to make the day a pleasant one for all Missourians.

L. A. Allen, president of the Arkansas Alumni Association, presided at the alumni dinner which had been arranged by Mrs. Lila Dalton Thatcher, the secretary. Mrs. Allen gave several readings for the entertainment of those at the dinner, and G. Hartsill Banks of Little Rock, who was elected president of the Arkansas Alumni Association for the coming year entertained the crowd with several of the old songs he used to sing when he was in the University. Dean Dan T. Gray of the Arkansas College of Agriculture, Fayetteville, H. K. Thatcher, extension department, and Gus Oehm, agricultural editor of the Arkansas Agricultural College, made talks at the dinner. Mrs. Lila Dalton Thatcher was re-elected secretary for the coming year.

The Arkansas alumni have responded splendidly to calls for help for the Memorial Union and Stadium campaign and Mr. Banks, the president, has pledged his support to wind up the campaign in Little Rock and Arkansas during the world-wide campaign November 8-15.

More elaborate plans are to be made for the University of Missouri Day next year, even though the present stunt is one of the outstanding ones among the alumni parties.

Graduate of '58 Recalls Early Days At University.

John T. Heard, M. S. '58, now living in Sedalia, is one of the oldest alumni of the University. It was his plan to attend the University of Missouri Day Luncheon at the State Fair, but on account of ill health was unable to be there.

Mr. Heard entered the University in October 1858, just eighteen years after the University was started. He recalls that the "faculty" consisted of the president, William Hudson; Professor Swallow, natural science; Professor Matthews, languages; William Shields, Latin; and Sterling Price, Greek.

"I did not take either of the languages but my recollection is that Shields and Price were junior Profs—Professor Matthews being superior in that Department, although Shields and Price had the full title of "Prof," said Mr. Heard.

"Bolivar S. Head, was professor of mathematics; John J. Jacobs, English Literature; and Professor Hainer, modern languages (French and German). I think President Hudson taught advanced mathematics and astronomy."

"President Hudson died before my second year began, and the office (by title) was not filled, but its duties were dis-

charged by Professor Matthews as "Chairman of the Faculty" for one term, at least. The largest number of students present during my stay was approximately one hundred and seventy-five, as I now remember.

"When in the Legislature, both House and Senate, I served on the University Committees and visited the University, but I cannot now remember the particular bills considered.

"I did not graduate, but in 1873 I was given the degree of M. S. My studies were from Sophomore mathematics to almost the full senior course in my last year.

"I was twice married: first to Miss Florence Andrews of Boonville, Mo., Dec. 20, 1866; second to Miss Lillian B. Copeland of St. Louis, Nov. 24, 1888. My second wife is still living, but I have no children living.

"I note your appreciated invitation for a general sketch on my personal experiences in connection with my stay in the University, and with legislation affecting the institution. I was in the State Legislature, but my memory is somewhat unreliable, especially as to names and dates, and I must not attempt to supply such an article. Being born in 1840, I am nearly 84 years old, and the University was only 18 years old when I entered it. If I have a single classmate living, I do not know it.

"I always read the *Alumnus* with interest, and think I have been a subscriber from the issue of its first number, certainly from my first knowledge of its publication.

Short Winter Courses Begin Nov. 3.

The Short Winter Courses in Agriculture have been designed to meet the needs of those students who have only a limited amount of time in which to secure training. The courses are offered during the months of November and December, January and February, the time of year when farmers may attend.

There are three different Short Winter Courses offered, the Two Year Winter Courses in Agriculture, the Short Course in Home Economics, and the Short Course in Dairy Manufactures. The two Year Winter Course in Agriculture is the most important of these three. This course prepares students for the practical operation of Missouri farms. There are seventy-five individual courses offered in the Two Year Winter Course. These courses are in Animal Husbandry, Dairy Husbandry, Soils, Crops, Agricultural Engineering, Veterinary Science, Rural Economics, Farm Accounting, Farm Marketing, Poultry Raising, Entomology, Horticulture, and Home Economics.

There have been 3500 students enrolled in the Short Winter Courses up to the present time. From 85 to 90 per cent of these students are now operating farms in Missouri. Recent additions to the College of Agriculture have made it possible to offer now the best Short Course in the history of the project. These new additions to equipment include the New Agriculture Building, the new Beef Cattle Barn, additions to the teaching staff, additions to the laboratory equipment of the Departments of Soils, Crops, Animal Husbandry, Horticulture, Poultry Husbandry, and Dairy Husbandry.

About 300 Attend M. U. Alumni Dinner In Chicago, Oct. 3.

The Chicago Alumni Association held one of the finest alumni meetings which has ever been staged in the history of the University at the Sherman Hotel, Friday night, October 3, preceding the football game at Chicago. Between 250 and 300 alumni and former students and members of the Missouri Society of Chicago were present. Frank B. Thacher, president of the Chicago Association, presided and words are not available to describe the success of the banquet and the good effect it had upon the alumni. The meeting started with the singing of "Old Missouri," "Dixie" and other Missouri songs and then the yell leader, Doc. Miller, from the University, coached the alumni in yelling and before the dinner was over everyone present was joining in whole-heartedly and with considerable noise, in all the yells. Special musical numbers were provided and there was much fun and frolic throughout the whole dinner.

Mass Meeting talks were made by C. L. Brewer, athletic director, Coaches Henry and Kipke, and Capt. Arthur Bond. Missouri spirit was evident as each speaker finished every sentence. The atmosphere seemed to be full of victory for the Tigers and everyone was happy.

Warren W. Browne, president of the St. Louis Alumni Association, was one of the principal speakers and emphasized the importance of the Chicago Alumni Association in completing their Memorial Campaign at the earliest possible moment. Mr. Browne pointed out the wonderfully fine effect the Memorial Campaign had on the alumni work in St. Louis stating it had been the cause of the alumni becoming better acquainted and it had made them realize what a great institution the University of Missouri is and helped them tremendously in getting more business. Mr. Browne's address was applauded loudly.

Then Doctor J. C. Jones, Director of the Memorial Union and Stadium Campaign, was called upon and made one of the best Memorial talks he has ever delivered.

Mr. Thacher then introduced to the gathering, George Palfreyman, chairman of the Memorial Campaign in Chicago and twenty-five team captains who have agreed to solicit the alumni in Chicago for their Life Memberships. There were many Life Memberships subscribed at the dinner and enthusiasm for the Memorial was at its height. Considering it, the Chicago Alumni Association banquet was a success in every stand point and, then on top of that, a victory for the Tigers of 3-0 on the day following, prompted Mr. Palfreyman to say the Chicago Memorial Campaign would be the outstanding success of the Memorial undertaking.

The Chicago Alumni Association deserves strong praise for the fine meeting they put on the night of October 3.

Book To Be Sent on Request

A 36-page book of views of the buildings, herds, fields, orchards, livestock and student activities at the Missouri College of Agriculture will be sent free by the College to anyone requesting a copy.

The Missouri Alumnus

Established 1912

R. L. (BOB) HILL, Editor and Manager

Officer Of The University Of Missouri Alumni Association.

Frank B. Rollins, LL. B. '11, Columbia, President. G. E. Huggins, B. L. '98, New York City, First Vice-president. Mrs. Chas. Hebbard, B. S. in Ed. '14, A. M. '19 Joplin Mo., Second Vice-president. R. L. (Bob) Hill, B. S. in Ag. '12, M. S. '13, Columbia, Secretary. S. F. Conley, A. B. '90, Columbia, Treasurer.

Board of Directors composed of representatives of Alumni Associations of Divisions in the University: Agriculture, A. I. Foard, St. Louis; Engineering, L. M. Defoe, Columbia; Law, Kenneth Sears, Columbia; Education, F. H. Barbee, Kansas City; Arts, Frank Chambers, Columbia; Journalism, J. Harrison Brown, Mexico; Business and Public Administration, Royal D. M. Bauer, St. Louis; Medicine, Dr. A. W. Kampschmidt, Columbia; Graduate, Ralph Watkins Columbia.

Subscription to the Alumnus is \$3 a year.

Changes of address should be received by the Missouri Alumnus before the fifteenth of the month to insure prompt delivery of the magazine for that month.

Checks, drafts and money orders should be made payable to the Missouri Alumnus and all business correspondence should be so addressed. Address all news items to the Managing editor of the Missouri Alumnus, 114 Jesse Hall, Columbia, Mo.

World-Wide Campaign.

The Memorial Union and Stadium Campaign has announced detailed and definite plans which, if supported wholeheartedly by the alumni and former students, will bring the campaign to a successful conclusion by November 15. The campaign among the members of the student body, University faculty members, University employees and the City of Columbia will be carried on during the days of October 28, 29 and 30. The World-Wide Campaign among the alumni will be staged November 8-15. The Memorial Campaign chairmen have been appointed to do the soliciting work in every city in the world where there are one or more alumni. The success of the World-Wide Campaign rests absolutely in the hands of the men and women who have been selected as these chairmen. If the World-Wide Campaign fails, it will be the fault of these persons.

Jazz in Higher Education.

"Education costs the same to the rich and the poor," says H. J. Blanton, Paris editor and member of the board of curators of the state university. "It is up to the parents of the university student to determine how much the boy or girl shall spend. The university authorities can do little to curb it."

Mr. Blanton believes the wise parents should refuse their children large expense accounts and the use of motor cars. That is right, because of the envy aroused among the poor students at the extravagant provisions made for the children of

the wealthy, the curator explains, and the resultant dangers and temptations to the children of parents of small means.

"When people talk of the cost of higher education," he added, "one must remember that fine clothes and parties are the principal cost to over-indulgent parents." —Kansas City Star.

Significance Of Victory at Chicago.

The Tigers are to be congratulated upon their victory over Chicago October 4. This accomplishment gave to the University of Missouri a world of publicity that would be hard to estimate in dollars and cents. Unquestionably this victory will bring thousands of dollars from the alumni in pledges to the Memorial Union and Stadium. The Memorial Campaign among the alumni in and around Chicago was started at the alumni dinner in Chicago the night before the Missouri-Chicago game and there was unlimited enthusiasm and, added to this the splendid victory on the day following, a stage was set for a most enthusiastic campaign by the Chicago Alumni Association.

Congratulatory expressions regarding the Missouri-Chicago game have been received from all sections of the country. Here's hoping for continued victories throughout the season of 1924 and for a complete success for the Memorial Union and Stadium Campaign, November 8-15, the days of the World-Wide effort.

Harvey, 6 years, and Katherine, 4 years, children of Harvey B. Owsley, '05, District Manager the Lakewood Engineering Company, of Cleveland, Ohio; 901 Title Guaranty Bldg., St. Louis. Owsley is a member of Beta Theta Pi and was a member of the Tiger Baseball team.

489 Find Jobs Through Y. M. C. A.

Fred B. Dixon, Secretary of the Employment Bureau of the University Y. M. C. A., has announced that 489 jobs were given to University students by that bureau during August and September. Ninety-one men were placed in permanent positions. Every business man in Columbia and every housewife with any work to be done called Mr. Dixon this fall in order that the employment might be given to a University student. The people of Columbia leave nothing undone to accommodate and help students who are in need of work.

Thousands of boys and girls who have attended the University of Missouri have worked their way either wholly or partially through school during the months spent here through courtesies of the citizens of Columbia. The atmosphere on the campus is saturated with democracy, for the student who works his way through school is looked upon with admiration. The work students do includes every conceivable sort of job from firing furnaces, washing windows and milking cows on up to clerical, stenographic and other office work.

Homer Croy, prominent alumnus and writer, wrote a most interesting feature story regarding the work that boys and girls do in the University of Missouri to help them pay their way through school.

Jesse Hall Steps Reinforced.

Iron reinforcements have been inlaid in the north steps of Jesse Hall. The old steps have been worn by years of use, and the hard surfaced treads will preserve them for a much greater period of time.

Virginia and Mary Margaret with their daddy, Edward Gray, B. S. in Eng. '17. Sorry their mother, who was formerly Edith F. Sawyer, former student '17, and the youngest daughter, Helen Loy, are not in the picture.

**Tandy-Lightner**

Miss Sarah Catherine Tandy A. B. '24 daughter of Mrs. H. H. Tandy of Columbia and a member of the Alpha Phi sorority and Clarence C. (Kitty) Lightner member of the Phi Gamma Delta fraternity and son of Mr. and Mrs. J. H. Lightner of Columbia have announced their engagement. The date of the wedding has been set for December 6.

Dawes-Van Gunten

Mr. & Mrs. Hamilton M. Dawes No. 11 North Mountain Ave., Montclair, N. J. have announced the engagement of their daughter Miss Juliet Dawes, former student '20-'21 to Mr. Chas. Van Gunten of Clearwater, Florida. Miss Dawes is a member of the Junior League of Montclair and the Kappa Kappa Gamma sorority. Her father is an attorney at law in New York City and a graduate of the University of Mo. with the degree of PeB '92 and A. B. '95 and was formerly of Marshall Mo. Mr. Van Gunten is the son of Mr. and Mrs. Charles J. Van Gunten of Maplewood, New Jersey. He was educated at the Pennsylvania Military Academy and Amherst College and is a member of the Chi Psi Fraternity.

Dunaway-Payne

Horace Durant Payne A. B. '20 as of class of '17 LL. B. George Washington University '22 Attorney 904 Commerce Bldg., Kansas City, Mo., a member of the Kappa Alpha, Kappa Kappa and Phi Delta fraternities, was married October 22 to Miss Gretchen Marie Dunaway, former student '15-'17, a member of the Kappa Kappa Gamma sorority. They will be at home in Kansas City at 3535 Central St.

Searcy-Howard

The engagement of Miss Amanda Jane Searcy, A. B. '24, daughter of Mrs. S. B. Searcy of Columbia, to Paul Howard, B. S. in Eng. '24, Doherty Co., Denver, Colo., was announced on September 27, by Mrs. S. T. Simpson, A. B. '12, B. S. in Ed. '13, of Columbia. The date for the wedding is October 27.

Miss Searcy is a member of the Chi Omega sorority and Mr. Howard is a member of the Eta Kappa Nu and Phi Mu Alpha fraternities and was president of the University Band last year. Both were prominent in student activities.

Mr. Howard is the son of Mr. and Mrs. H. Howard of Moberly, Mo.

Smith-Hillyard

The engagement of Miss Sara Smith and Walter Hillyard, former student 1917-'19, both of St. Joseph, has been announced. The wedding will take place the latter part of November. Mr. Hillyard is a member of the Delta Tau Delta fraternity and is with the Hillyard Chemical Company in St. Joseph.

Hodgen-Brown

Miss Helen Delphine Hodgen, A. B. '23, and Homer E. Brown, B. S. in Eng. '23, were married October 15 at St. Louis. They will be at home after November 1, 2523 St. Mary's Avenue, Hannibal, Mo.

Robinson-Rasmussen

Miss Belle Hope Robinson, B. S. in Ed. '20, who has been teaching art in the Collinwood High School, Cleveland, Ohio, is to be married early next summer to Elwood Rasmussen, former sec'y of the East Cleveland Y. M. C. A. Miss Robinson is a member of the Phi Mu sorority and is vice-president of the Alumni Association of Cleveland. Mr. Rasmussen is a graduate of the Y. M. C. A. College in Chicago.

Weld-White

Richard M. White, LL. B. '24, Lawyer C. S. B. & N. I. Ry. Co., South Bend, Ind. was married June 10 to Miss Louise Weld of that city, a graduate of Wisconsin University.

Thurlo-Jenkins

Miss Katherine Thurlo, B. S. in Ed. '23, was married October 18 at the home of her mother at Bosworth, Mo., to Tormey Jenkins.

Cannon-Lander

Miss Dorothy Cannon, A. B. '24, of Butler, Mo., a member of the Delta Gamma sorority, and Kenneth M. Lander, former student '19-'23, a member of the Sigma Nu fraternity and now with the Worchester (Ohio) Electric Co., were married October 4, at the home of the bride's parents.

Rawlings-Sampson

Norris Sampson, former student '19-'23, and Miss Mary Adams Rawlings, both of Rocheport, were married October 15 at the home of the bride's parents. Mrs. Sampson is a graduate of the Stephens College. Mr. Sampson is in the Real Estate, Loan and Insurance Co. with his father W. A. Sampson, vice-president of the Rocheport Bank.

Poston-Whitehead

Lawrence E. Whitehead, B. J. '18, in the advertising business in St. Louis, a member of the Kappa Alpha fraternity, was married October 23, to Miss Lucille Marie Poston at the home of her parents at Cheraw, S. C.

McCormick-Heitman

Miss Lois Bendette McCormick, former student '20 and Numa F. Heitman, B. S. in P. A. '23, both of Kansas City, were married there September 15. Mrs. Heitman is a member of the Kappa Alpha Theta sorority and Mr. Heitman is a member of Phi Delta Theta fraternity.

Lightner-Hudelson

Miss Willie Lightner, B. J. '19, daughter of Mr. and Mrs. J. H. Lightner of Columbia, and Robert R. Hudelson, A. M. '15, of St. Louis, son of Mr. and Mrs. Henry C. Hudelson of Chambersburg, Ill. were married at the home of the bride's parent September 27. Mrs. Hudelson is a member

of Alpha Delta Pi and Theta Sigma Phi sororities. Mr. Hudelson was formerly associate professor of soils in the College of Agriculture, during the World War he was captain of the 28th Field Artillery. He is a member of Gamma Alpha, Sigma Xi and Alpha Zeta fraternities. He is employed with Doane's Consulting Agency in St. Louis. Mr. and Mrs. Hudelson will be at home at the Ranelagh Apartments, 5707 McPherson, St. Louis.

Henry-Pepper

Miss Paula Henry of Austin, Texas, a graduate of the University of that state, and H. Cornelius Pepper, A. B. '22; A. M. '24, of Columbia were married September 3, at Austin. Mr. Pepper was Assistant in the History Department in the University and also Director of the History Department of Christian College. During the past year he was head of the History and Political Science Department in Monte Zuma College.

Schulz-Browning

Miss Mary Bryant Schulz, daughter of Dr. and Mrs. Wm. H. Schulz, and George Moore Browning, B. S. in Ag. '21, both of Kansas City, were married there October 4. Mr. Browning is with the Lowe & Campbell Athletic Goods Co. He is a member of Kappa Sigma, Q. E. B. H. and Chi Chi Chi. He was a member of the basketball team of '20 and '21, was captain the latter year, and was one of the best basketball players that Missouri ever had.

Morris-Day

Miss Gladys A. Morris, B. S. '19, Sacramento, Cal., was married August 30 to Mr. Arthur Day. Mrs. Day was a member of the Delta Delta Delta sorority. Following her graduation, she taught for a time in the College of Industrial Arts at Denton, Texas, and has been teaching Industrial Arts in the Sacramento schools since then.

Bammalsburg-Thompson

Babb-Beard

Miss Marian Jamie Babb A. B. '19 B. J. '22 daughter of Mr. and Mrs. J. G. Babb of Columbia was married September 20 at the home of her parents to Frank J.

Let's Ruffle the Jayhawk's Feathers

Oldtimer's Session at Reception

Plans are being made for a reception which will follow the mass meeting on Rollins Field Wednesday night. Then will be your chance to see all your old class mates, and talk over "in my day" and "in our day" and live over the old college days. If you didn't meet President Stratton D. Brooks last year this will be your opportunity; he is a prince of a fellow. All the good old-timers will be there. Your old crowd has already planned to come back. Get busy and start your plans right now. Old Tigers are coming back by the hundreds. Come on! The more the merrier.

When the throng stands to sing "Old Missouri" you will thank us for this advice to come one come all.

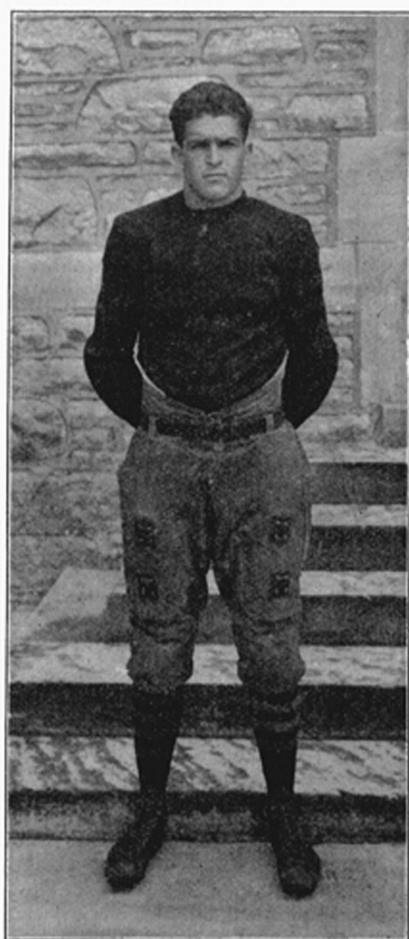

Lawyers To Meet

The law alumni will hold their annual meeting and election of officers at 9 o'clock Thursday morning in the Law Building. Plans for the new Law Building will probably be discussed. The parade will be held at 10:15 o'clock, so the two will not conflict.

Ticket Deadline Nov. 10

Information in regard to tickets for the Homecoming game may be gotten from C. L. Brewer, Rothwell Gym., Columbia.

Ticket allotment will be made November 10, so don't fail to get that letter off today, if you haven't done so.

Arthur Bond, the fighting Tiger Captain, who was largely responsible for Missouri's victory over Ames, by his ability to intercept and block Ames' aerial attack.

Status of the Tigers

Missouri has played three games and our slate is clean. We beat Chicago of the Big Ten 3 to 0, Missouri Wesleyan 14 to 0, and Ames 7 to 0. The last game won was a conference game.

Kansas has lost three games; one to Oklahoma A. & M. 3 to 0, one to Ames 13 to 10, and the other to Kansas Agricultural College 6 to 0. The last two were conference battles.

Missourians have seen their team play and they have played well, our hearts have swelled with pride, but every Tiger old and new knows how the Jayhawk fights to protect its family when the Tiger attacks.

Special R. R. Rates Granted

A rate of fare and a half has been granted on all railroads for the round trip to Columbia for Homecoming.

If as many as twenty-six, are coming from one town, see your local agent in regard to arranging for a special pullman. You can be together, and talk the game over on the way home. The car will be side tracked and you may use it while in Columbia.

Do You Want a Room?

Old grads and former students who are coming back for Homecoming and who want rooms should send applications at once to J. D. James, secretary, Commercial Club, Columbia, who will try his best to get accommodations for all.

Columbia Will Shine

Columbia is going to be arrayed in the Crimson and Blue of Kansas and the Black and Gold of Missouri from one end to the other. When passing from the Wabash or Katy stations to Rollins Field you will marvel at the glorious display. All the sorority sisters and fraternity brothers are plotting, trying to work out the best scheme of decoration in order to make their particular alumni feel more at home. The business houses are all going to be decorated. Everywhere you go the feeling of Welcome Kansas-Welcome Missouri will penetrate into your very soul. Missouri is waiting to welcome Kansas to the lair of the Tiger, as well as looking forward to having "Every Tiger Back".

In thirty-two years Missouri has won ten games from Kansas, lost seventeen, and tied five.

ers---Homecoming, November 27

Great Mass Meeting To Be

Held in the Tigers' Den

Hundreds of Old Bengals to Witness Preparations for Slaughter

Plans for the Homecoming Mass Meeting are only tentative at this time. The whole program will start with this meeting which will rekindle all the Missouri spirit that ever existed or which ever could exist. It will be held Wednesday night, November 27, on Rollins Field, the scene of action for the next day when the Tigers and Jayhawks will battle for the supremacy of the day as they have never battled before.

President Stratton D. Brooks will welcome all the sons and daughters of Old Missouri back, and Athletic Director C. L. Brewer, the coaches, Captain Bond and others will tell the hopes and fears of the game as only they can know them. There will be other speakers.

The electric board flashing the "Varsity", "Yea Tigers", "Eat 'Em Up Tigers", and some new yells which you have never heard will be working, doing its bit to start things humming.

The speakers' stand will be placed in the center of Rollins Field and it will be equipped with a loud speaker so that not a soul present will miss a word nor a thrill. Arrangements are being made to broadcast the speaking and the yells through the courtesy of State Marketing Bureau's Station, Jefferson City, W. O. S.

There will be fireworks, and immediately after the Mass Meeting the freshmen will stage their annual cap burning, and snake dance, and we can promise that this exercise will be as enthusiastic as ever.

The next number of the *Alumnus* will bring you the specific plans and program for Homecoming. It is going to be the biggest Homecoming ever. The present students are looking forward to giving you all a hearty old welcome, and the committee is working making plans that will make you leave even a truer *Alumnus* than you are now. You can't afford to miss it.

Religious Service Planned

Thanksgiving Day religious services will start the Homecoming program Thursday. Services will be held at 9 o'clock at the Baptist Church for all denominations. Dr. John M. Alexander, pastor of the Presbyterian Church, will lead the services.

"M" Men To Meet

The "M" men will hold their meeting Wednesday. Then all the past Missouri stars will have a chance to play over the games of their day and plan for the future. Oak Hunter, president of the "M" men Association of Moberly will preside.

WOS To Broadcast

Plans are being made to broadcast the Homecoming program and game from Jefferson City, W. O. S. So all the true Missouri Tigers who are so unfortunate as not to be here in person and see the Jayhawk's feathers fly, tune in and hear the results, Thursday, November 27.

Gangway! For the Camels Are Coming

Gangway! Gangway! For the p-e-e-rade is comin'—and that's going to be SOME parade, with everything from the little fellow who blows the bass horn in Missouri's famous band and the giant piccolo player to the doctors who are going to try to put the Jayhawk back in one piece after the Tigers toss him around on Rollins Field in the afternoon. Starting at 10:15 o'clock and lasting until all the novelty floats that the Ags and Engineers can work up have passed the reviewing stand, the long line will be properly ended by the distribution of the Peerade Uxtra, which will give the "old grads" a grand opportunity to get the "low down" on the present day Mizzou!

Announcements

Mystical Seven will give their banquet Wednesday night.

Mortar Board will entertain their visiting alumnae with a breakfast Thursday morning.

Beard of Kahoka, Mo. a former student '13-'16. Mr. Beard is a member of the firm of Beard and Crews Construction Company and is constructing bridges on the new State Highway. Miss Ingram has been principal of the Instituto Ingles-Espanol, a school supported by the Woman's Missionary Council of the Broadway Methodist Church of Columbia.

Frank Chambers, A. B. '15, is with the firm of Cravath and Henderson, Attorneys, New York City. His personal address is 21 Fort Greene Place, Brooklyn, New York.

William Henry Lynch

Professor William Henry Lynch, A. B. '68, A. M. '73, age 85, died in Springfield, Mo. September 29.

Professor Lynch was well known by alumni and former students all over the country. He was a student of the University before the Civil War, leaving school to join the Union Army. He served throughout the war and returned to Columbia to finish his University work. His last visit to Columbia was at Commencement time this year. While in Columbia he was injured and compelled to remain here several weeks, later returning to his home in Springfield, very much weakened.

He was the field representative for the Springfield Teachers College and was said to subscribe for more newspapers than most any other person in the state. He introduced newspapers into the school room as a sort of textbook. His home address when a student was Houston, Mo. He was married in October 1870 to Miss Mary E. Cook.

Harry A. Stephens

Harry A. Stephens, well known former University student, committed suicide at Kansas City, September 27 in his room in the Kansas City Athletic Club. He left a note attributing his act to financial troubles. Stephens was 26 years old.

Harry Stephens is well remembered in Columbia, where he made many friends while a student here. He was popular as a student and scored success in amateur dramatics. He played the lead, "The College Widow," which was presented here twice in 1917, and other plays given by university students. When the United States declared a state of war existing between this country and Germany, Stephens received a commission as a first lieutenant in the air service.

Paul M. O'Day.

Paul M. O'Day, who was a student in the University of Missouri in 1910, was killed in Dallas, Tex., September 11 by William L. Crawford, against whom he was conducting a lawsuit. The slaying is said to be the result of a three-year attempt by O'Day to break the will of Crawford's father, for the three children of his first wife. Mr. O'Day was a member of the firm of Locke and Locke. He was formerly a prosecutor at Springfield, Mo., and attained prominence by the conviction of the kidnapers of Baby Loyd Keet in 1917. He was a member of the Kappa Alpha fraternity. His sister, Marie O'Day now Mrs. William T. Merriman of Springfield, Mo., graduated from the University in 1913.

More than one hundred and fifty members of the Dallas Bar Association paid highest tribute to Paul O'Day at a special

meeting and suitable resolutions were prepared. Paul was a member of the Dallas Bar Association Executive Committee.

Charles D. Rodgers

Charles D. Rodgers, Pe. P. '78, died at his home in Mexico, Mo., September 30, following a paralytic stroke from which he never regained consciousness. He is survived by his wife, one son, Arch, City Editor of the Sweetwater (Texas) Reporter and two daughters, Jane and Virginia who have been playing together on the Keith Vaudeville Circuit of New York who are in Mexico with their mother for the winter.

Mr. Rodgers received his primary education in Audrain County, the school district where he was raised until 1874, when he entered Prof. H. M. Hamill's high school for boys. He then attended the State Teachers' College at Kirksville, after which he entered the University of Missouri where he received a degree in 1878. That same year he was elected county surveyor of Audrain.

After serving as county surveyor for three terms, Mr. Rodgers went to Slater where he went into the banking business, later going to Chicago and then to Texas.

From Texas he moved back to Missouri, making his residence in Columbia in order that his three children, Arch, Jane and Virginia, might attend the University.

Miss Lydia Graves

Miss Lydia Graves, former student in 1888, from Rocheport, Mo., died in a hospital in Bellingham, Wash., October 16. She has been teaching in the Bellingham public schools for several years.

To Have New Church Building.

The Congregational Church conference held in St. Louis the latter part of September approved an appropriation of \$60,000 for the first unit of a Congregational church in Columbia to be located near the University campus, according to Professor D. E. Thomas of the Missouri Bible College, secretary of the conference. It is planned to get the project under way as soon as possible. There are approximately one hundred congregational students in the University.

Missouri-Wesleyan Plays Good Game.

The Tigers won from Missouri-Wesleyan 14-0 at Columbia October 11. Bill Collins, an old Missouri athlete of great prominence, is coach of the Missouri Wesleyan team and he brought to Columbia an extraordinarily well coached team in splendid condition and they played a game of mighty sHart football fighting every minute of the game. Missouri Wesleyan was a most formidable foe and they gave the Tigers a real fight. Almost three teams of the Tigers were used during the game. The visitors were warmly applauded during the game for their sportsmanship.

New University Hospital To Open.

The new hospital of the University of Missouri was opened for inspection September 21. Saidee N. Hausmann, superintendent, and the members of the nursing staff were on duty to show visitors around the building. The new unit of the hospital

is complete in every detail of furnishing and is now ready for use. The building embodies the latest features in modern equipment. The new hospital is not for University students alone but will serve the entire community.

Family Finance

HOME LIFE is happier for every one when worry is eliminated.

The Family Budget, developed through the co-operation of the whole family, eliminates unprofitable expenditures, increases savings and banishes worry.

The protection of the family, the education of the children, assured independence for old age, can all be made possible through the Family Budget.

Women have always had these things in mind, but today are studying them with deeper interest than ever, and the Budget idea is getting recognition.

Make a trial of the JOHN HANCOCK BUDGET AND ACCOUNT SHEET, which you may have for the asking, also additional sheets as needed.

A month's trial will help you. A few months' trial will convince you that the Budget helps you to make the most of your income.

Dr. J. W. Spencer's Works Are Given To University Library.

The University Library has received sixty-three pamphlets and two books on geological subjects written by the late Dr. J. W. Spencer, as the gift of his widow, Mrs. J. S. Spencer of Toronto, Ont. Doctor Spencer was professor of geology in 1882-1887.

The set received from Mrs. Spencer is an almost complete set of Doctor Spencer's writings. Among the bulletins is "The Ancient Mississippi and Its Tributaries," a lecture which was delivered in the Chapel of the University of Missouri as an inaugural address on January 10, 1883. Another is "Spoliation of the Falls of Niagara," an address delivered before the American Association for the Advancement of Science on June 30, 1908 which was printed in the Popular Science Monthly, October 1908. The set includes the French translation of Doctor Spencer's "The Evolution of the Falls of Niagara," which was published by Le Geographic.

Much of Doctor Spencer's work is concerned with the scientific investigation of Niagara Falls and the Great Lakes region. After he left the University of Missouri,

Doctor Spencer became the state geologist of Georgia and later, he was the special commissioner of Geological Survey of Canada for the scientific investigation of the Falls of Niagara. He made the first computation of the age of Niagara Falls and the first computation of the rate of the rise of the earth crust in the lake regions.

A bound copy of the official report of the public hearing held by the Senate Immigration Committee in March, 1924, in connection with the measure for the exclusion of aliens ineligible to citizens, then under consideration as a part of the general Immigration Bill, has been received from the library from the California Joint Immigration Committee.

The volume contains in full the statements made in behalf of the Japanese in opposition to the measure and also the statements made by those who favored it.

V. S. McCutcheon, secretary of the California Joint Immigration Committee, who sent the bulletin, states that it is of particular interest at this time because the Federal Council of Churches of Christ of America through its subsidiary association the Committee on International Justice, and Goodwill, in cooperation with other

organizations has assured Japan that it will ask Congress to repeal or modify the exclusion measure, which is now a part of the new Immigration Act, so far as the Japanese are effected and has already inaugurated a campaign for that purpose.

Rates Given For Homecoming.

Railroad rates of one and one-half fare for the round trip from all stations in Missouri will be authorized, for the Homecoming, Missouri-Kansas football game, Columbia on Thanksgiving, November 27. The tickets are to be sold November 26 and 27 and limited to return up to and including December 1. Notice of these rates were furnished by J. S. Buchanan, D. F. & P. A., of Wabash Railroad Company, Moberly.

Intramural Athletics Added.

Intramural athletics has been added to the department of athletics and will be under the direction of George A. Bond, the basketball coach. This department will take over the development and promotion of all kinds of athletics between classes, schools, fraternities, and other organizations.

Four Nurses Get Certificates.

Four nurses—Misses Ruth Chambers, Adelaide Freese, Helen Nahm and Ora Vaughn, received their certificates October 8, in the first class to be graduated since the five-year combination course has been given in this school. In the absence of Presidence Brooks, Dean Isidor Loeb presented the certificates to the candidates who were presented by Dean Noyes of the school of Medicine. The exercises were held in the Women's Gymnasium.

Prof. Jay W. Hudson addressed the graduates and their friends on Nursing from the Standpoint of the Layman.

The exercises were concluded by the presentation of the nurses' pins by Miss Mance Taylor, Principal of the school of Nursing. She was assisted by Miss Louise Hilligas, Instructor in Nursing. Dancing followed the formal program.

The certificate of nursing requires a three-years' course. Sixty hours of this work are credited in the College of Arts & Science. An A. B. Degree and the certificate in nursing may be obtained in five years. Miss Freese, Miss Nahm and Miss Vaughn will be on the hospital staff, and at the same time complete their work for A. B. degrees. Miss Chambers will return the first of the year.

Dr. Guy L. Noyes says that the University School of Nursing was among the first to discontinue night classes for nurses and to require formal attendance upon the regular University courses in the fixed curriculum of the combined course in Arts and Nursing. University Schools of Nursing are numerous now and the Degree of Bachelor of Science in Nursing is conferred upon the graduates of such schools.

Missouri Valley Conference To Conduct Glee Club Contests.

The meeting of the Executive Committee, of the Glee Club Contests Association, made up of representatives from each college in the Missouri Valley Conference, was held at the University Club in Kansas City at 10 o'clock Saturday morning, October 11.

The purpose of the meeting was to arrange the final details for the Glee Club contest to be held in Kansas City, February 14, 1925. Representatives from Kansas University, University of Oklahoma, University of Ames, University of Missouri, the Kansas Agricultural College, University of Nebraska and Washington University at St. Louis, were present. The following officers were elected: Professor Thomas A. Larremore, leader of the University of Kansas Glee Club, president; Professor W. R. Pratt of the Kansas Agricultural College, secretary; Dean James T. Quarles of the University of Missouri, treasurer.

It was definitely decided to secure from the Alumni Associations of the various colleges a trophy cup to be known as the "Alumni Cup" and to be competed for each year by the Glee Clubs representing the various colleges of the Missouri Valley Conference. It was also definitely determined that each Club would sing three selections;—a college song, a song of their own choice and a specified prize song which this year will be "Come My Love" by John Dowland. This latter number is the prize song which will be used at the final contest in New York City when the prize winners from the sectional contests will compete for the national prize. This contest will be held in New York City March 7. It was also determined that all the Clubs should be led by student leaders and that faculty conductors would be barred.

It was decided that all of the Clubs would join together in a massed chorus under the leadership of Dean Donald M. Swarthout of Kansas University in a performance of the "Soldiers Chorus" from Faust.

This concert will probably be held in Convention Hall and will doubtless attract wide attention and will create great enthusiasm and rivalry among the various colleges represented. It is very much hoped that the alumni of the University of Missouri will not be outdone by the alumni of other institutions in the support of this contest and in the creating of popular enthusiasm for the support of their own Glee Club.

81 Vocational Men Here.

There are only half as many vocational men enrolled in the University this year as there were last year. The enrollment this year is thirty-seven non-collegiate and forty-four collegiate men. Last year there were more than 190 vocational men. This included both classes. The number of men being educated by the government has been a steady decline for the last few years. In 1922 it reached its peak at Missouri when there were 346 vocational men enrolled.

The Journalism Week dates for 1925 have been set for May 10, to 16, inclusive.

Intercollegiate Debating: Kerner, H. G. Brown, and Rankin.

Military and Physical Training: McCaustland, Mumford and Tisdell.

Women's Physical Education: Mrs.

Priddy, Miss McKee and Miss Taylor.

State Fair Exhibits: Mumford, McCaustland, Neale, Pickard and Fulton.

University Health: Ravenel, Conley, McCaustland, Stine and Priddy.

University Studies: Walter Miller, Edgar Allen, Belden, Lanier, M. E. Millier, Parks and Walter Williams.

Dr. McDonald Makes Speaking Tour.

Dr. Frank McDonald, a medical missionary of the Methodist Episcopal Church, stationed at the General Hospital, Changli, North China, is making a speaking tour of Methodist churches in several of the Middle western states, under the auspices of the world service Commission of the denomination. He is lecturing on "Medical Mission Work in China."

Dr. McDonald is a native of St. Joseph, Missouri, and received his education in the University of Missouri; the University of Pennsylvania and Union Theological Seminary. He served as an interne in the New York Hospital following his graduation from the University of Pennsylvania, and has served as a Lieutenant of the Army Medical Corps during the World War. In April of 1917, he was appointed a missionary of the Methodist Episcopal Church, but owing to his acceptance of military service he did not arrive in China until August of 1919.

Changli, the city in which Dr. McDonald is located has 15,000 inhabitants. He is the only medical missionary for more

than 1,000,000 people in that vicinity. With Chinese assistants, Dr. McDonald is able to give some 15,000 treatments in the course of a year and to care for about 10,000 people in the dispensary. This mission station was situated a few miles from its present site in 1900 when it was completely destroyed by the Boxers. The present hospital and mission were built in 1903.

Missouri Places High In National Dairy Cattle Judging Contests.

C. R. Meeker, C. B. Makin, Homer Young and John W. Riley are the members of the dairy cattle judging team of the College of Agriculture that made a three week's trip through Missouri, Iowa, and Wisconsin where they visited some of the best known dairy herds in the country and competed in two dairy cattle judging contests.

The team placed higher at the National Dairy Show than any Missouri team since 1917.

The two contests competed in were the Dairy Cattle Congress at Waterloo, Iowa, September 22, and the National Dairy Show at Milwaukee, Wisconsin, September 27.

In the contest at Waterloo ten Middle West colleges competed. The Missouri team placed third in judging Guernseys, fourth in Jerseys and fifth in Brown Swiss.

C. B. Makin placed as high individual in judging Guernseys.

At the National Dairy Show at Milwaukee twenty-five teams representing as many colleges were entered in the contest. In the judging of all breeds the Missouri team placed fifth. In individual competition C. B. Makin repeated his honors of the Waterloo contest by placing third in the judging of Guernseys in a field of seventy-five contestants. C. R. Meeker won second honors in judging Ayrshires and was seventh high individual in the judging of all breeds.

W. P. Hays, an instructor in the dairy department, accompanied the team on the trip.

Alumni Disapprove of "Shacks."

Alumni who have visited Columbia recently have manifested considerable interest in the situation regarding the building of "shacks" in Columbia near the

campus. They have expressed themselves as being decidedly in favor of no more such buildings being erected. The city council of Columbia has refused to renew the license for the shack at the corner of S. Ninth and Cherry streets. The council has been trying to do away with small frame buildings which they call "shacks" and which they say lessens the attractiveness of the city.

Trophy For World Records Will Be Given To Missouri Athletes.

The committee on Intercollegiate Athletics met in Columbia, September 25. A medal to be awarded to all members of championship teams in major sports, to all individuals who break world, conference, or national collegiate records, and to persons chosen to represent the University in minor sports in such competition as the National or Western Conference golf or tennis meets was decided upon.

C. L. Brewer, director of athletics, said that it was his belief that the tradition back of the award will make it the most prized trophy given to Missouri athletes.

The meeting was attended by C. L. Brewer, chairman; W. G. Manly, secretary; W. E. Kemp and Dr. H. H. Shackelford, alumni representatives from Kansas City and St. Louis respectively; O. M. Stewart, E. J. McCaustland, F. L. Martin, T. K. Catron and W. L. Shumate, student president.

Two Voted Ineligible For Football.

Don Faurot, veteran backfield man and punter, was declared ineligible for further competition October 1, as a result of a

decision by a committee on intercollegiate athletics in keeping with Missouri Valley Conference rules. Joe Mulligan, 190 pound tackle, was also held to be ineligible

for the present season. Both of the rulings were based more or less upon technicalities and are without any discredit to the men involved.

Declaration of Independence

A facsimile copy of the Declaration of Independence has been issued by the John Hancock Mutual Life Insurance Company.

This reproduction is a composite reduced facsimile, one-quarter size, taken from a facsimile reproduction of the original Declaration of Independence made by W. I. Stone in 1823, under the direction of John Quincy Adams, then Secretary of State. The original engrossed Declaration is in the custody of the Librarian of Congress at Washington. The John Hancock Company will send this copy of the Declaration free for framing.

Address: The Palm's Bldg, Columbia, Mo.

After the third lightless night, the business men took matters into their own hands. "If the city won't pay for the lights, we will," they told the city council.

Where was Lima when the lights went out?

MAZDA, the Mark of a Research Service. It is the mark which assures the user of the lamp that the manufacturer had advantage of the most recent findings of the Research Laboratories of the General Electric Company. Invention moves from the ideal to the real. So the researches of men trained to investigate and experiment make impressive contributions to human progress.

As part of an economy program, Lima, Ohio, tried turning out the street lights. The trial lasted three nights.

One newspaper summarized the result as "the probability of a crime wave, increase in the number of traffic accidents, and the loss to Lima business houses of a gigantic sum during the holiday season."
