## What will you miss the most about Mizzou?

Homecoming? Student organizations? The friends you made along the way? After graduation, you can stay connected to your alma mater - and your fellow alumni - through the Mizzou Alumni Association.

MAA's many chapters host social and networking events around the globe. The award-winning MIZZOU magazine keeps every graduate informed. The association's diverse programs promote professional development, camaraderie, and tiger spirit among students, alumni and fans. As a new member of the alumni family, we hope you will take advantage of all MAA has to offer!

## Help us stay in touch with you!
