Bruce Whittle Named CVM 2017 Alumnus of the Year

Bruce Whittle, DVM '94, is the University of Missouri College of Veterinary Medicine 2017 Alumnus of the Year. He was honored during the college's Alumni Reunion Weekend held Sept. 15-16.

Whittle, who was born in Iowa and raised in southeast Missouri between the towns of Diamond and Joplin, attended Northeast Missouri State University in Kirksville for three years before being accepted at the CVM. Both he and his wife, Gayla, earned doctor of veterinary medicine in 1994. Two weeks after graduation, they moved to Trenton, Missouri, where

MU College of Veterinary Medicine Alumnus of the Year Bruce Whittle, DVM, is pictured with his wife, Gayla Whittle, DVM, and son Wyatt.

they established Honey Creek Veterinary Hospital, a mixed animal veterinary practice.

In announcing the award, MU CVM Interim Dean Carolyn Henry, DVM, MS, DACVIM, commended Whittle for being a driving force for organized veterinary medicine in Missouri throughout his career. He is a member of the American Veterinary Medical Association and the Missouri Veterinary Medical Association, which he has served as vice president, president-elect, president, and board chair. He has also been a member and chair of the MVMA equine committee and a member and chair of the legislative committee. He is a member of the American Association of Equine Practitioners. He has served on the AAEP equine dentistry committee, the scope of practice task force, the welfare and public policy advisory council as a member and vice chair, and the state legislative issues subcommittee as chair. He also is a member of the American Veterinary Dental Society, the Foundation for Veterinary Dentistry, the Missouri Academy of Veterinary Practice and he is the vice president of the MVMA Academy.

As a practitioner, he is renowned for the scope of his expertise, which encompasses small animals, cattle, deer, sheep, goats and horses. He is considered the driving force behind the Missouri Veterinary Medical Association equine dental wet lab. The wet lab serves the dual purpose of advancing dental skills of veterinarians while providing pro bono care for horses on the Humane Society of Missouri rescue ranch. He helps to organize and execute the American Association of Equine Practitioners short course in dentistry for veterinary students.

MU CVM Interim Dean Carolyn Henry, DVM, MS, DACVIM, presents the Alumnus of the Year Award to Bruce Whittle.

His volunteer work includes helping to teach five days of dental labs for veterinary students at the CVM each year. The Whittles also work with the CVM to provide externship opportunities at their practice to veterinary students seeking practical experience in veterinary medicine.

This is the second award the CVM has given to Whittle this year — in June he received the Dean's Impact Award.

In accepting the honor, Whittle thanked his family for their support, which has allowed his extensive involvement in veterinary organizations. He and his wife have two sons.

He also thanked his colleagues.

"I've got a lot of mentors in this room and I appreciate everybody who has helped me along the way," he said. "I just feel so blessed to be part of this profession because I don't think I've ever had a time where I've called a veterinarian and asked them a question that they haven't tried to help me."

The MU College of Veterinary Medicine Mule Team was on hand at the Alumni Weekend breakfast to provide wagon rides around the CVM campus.

The announcement of the Alumnus of the Year

Award was made during the reunion banquet held Sept. 15 at the Adams Conference Center. The following morning, alumni were invited to have breakfast with retired faculty members, enjoy rides with the CVM Mule Team, tour the CVM facilities, including the Veterinary Health Center's three hospitals, and attend the football game versus the Purdue Boilermakers.

RSVP by October 13
mucvmevents@missouri.edu

Barbecue and lawn games provided for CVM alumni, students,
faculty and staff. Coolers welcome. Please bring your own seating.

Sponsored by Best Pet RX as a complimentary tailgate.

BIOMED ONLINE

In addition to the four-year professional curriculum leading to the Doctor of Veterinary Medicine (DVM) degree, the college offers a variety of online (BIOMED) courses. Courses serve as electives for other degree programs, a component to the online health science and bachelor of general studies degrees, as partial requirements in the MU Pre-veterinary Medicine Scholars Program, and to earn either a thesis or non-thesis master's degree. BIOMED courses are also recommended electives in meeting the requirements to apply for a DVM program.
