## FOREWORD

The University of Missouri, established in 1839, comprises the following divisions: College of Arts and Science, College of Agriculture, School of Business and Public Administration, College of Education, College of Engineering, Graduate School, School of Journalism, School of Law, School of Medicine, School of Mines and Metallurgy, and Adult Education Service.

The School of Mines and Metallurgy is at Rolla. The other divisions are at Columbia.

The Catalog is published in three parts. The Catalog Number includes Section I, general information; Section II, announcements of the schools and colleges; Section III, the statement of courses. This part, Section IV, contains the lists of students and the names of those students on whom have been conferred degrees during the period shown.

Another part, Section V, also published separately, gives information on fellowships, scholarships, prizes and loan funds.

# LIST of STUDENTS

JUNE 1, 1947-JUNE 1, 1948

## At Columbia

Explanation: The following abbreviations are used to indicate the college or school in which the student is enrolled--Agr., College of Agriculture; Arts, College of Arts and Science; B. & P.A., School of Business and Public Administration; Educ., College of Education; Eng., College of Engineering; Grad., Graduate School; Jour., School of Journalism; Law, College of Law; Med., School of Medicine.

In indicating the class in the professional schools:

1st Yr., 2nd Yr., 3rd Yr., Spec., Special. In the colleges: Sr., Senior; Jr., Junior; Soph., Sophomore; Fr., Freshman; Spec., Special.

If a student makes his permanent residence in Missouri, his home county (or the city of St. Louis) is shown in the last column. If his permanent residence is outside Missouri but within the United States, his home state is shown. If his permanent residence is outside the United States, his home country is shown. Residence outside Missouri is indicated with the asterisk.
