HOW TO ORDER

You may order single copies of up to ten different publications free of charge, if it is not designated as a charge publication. PUBLICATIONS PRECEDED WITH AN ASTERISK (*) MUST BE PURCHASED. Quantities of any one publication are sold at the prices given in parentheses after each title. A 10 percent discount is provided for orders of 10 or more copies of an individual publication and 20 percent discount for 1,000 or more. All sales within Missouri are subject to 3½% Missouri sales tax. All quantity orders must be accompanied by either (1) cash for the amount of order [checks made payable to the University of Missouri], or (2) a purchase order from your organization. Advance payment is required for orders amounting to less than \$5.00 with 40¢ included to help defray postal expenses and handling costs. A receipt will automatically be furnished on all advance payments for publications.

Insurance is available to those who would like their order to be insured to guarantee delivery. With the increasing number of orders being lost in the mail recently, consider insurance when placing an order. The cost of this insurance will be 75¢ which will cover any shipment up to \$100.00 in value. This service is optional, therefore, please be sure to indicate whether insurance is desired or not.

CREDIT CARDS

You may obtain publications by credit card. If you have an account with Master Charge or Bank Americard, you may purchase publications with either of these credit cards. Should you wish to make your payment in this manner, please give your name and address as it appears on your credit card along with your account number and expiration date. The proper charges will then be forwarded to your credit company and appear on your next statement from them.
