TENTH ANNUAL STATE OF ENTREPRENEURSHIP ADDRESS

2.27.19

PLEXPOD WESTPORT COMMONS
KANSAS CITY

Too many communities concentrate
on attracting businesses from afar
instead of growing them at home.

In a thriving ecosystem, entrepreneurship
empowers individuals; improves standards
of living; and creates jobs, wealth,
and innovation in the economy.

But the success of an entrepreneurial
ecosystem can't be bought;
it has to be built.

Thank you for joining us as we continue
our work to reach **#ZeroBarriers** for the
makers, the doers, and the dreamers.
