

REUNION

ONE OF THE BEST indications that the annual Golden Anniversary Class Reunion is successful is the return of so many alumni who attended their own 50th year get-together earlier, anywhere from a year to ten years before. This was true again on June 6-7. Attendance from the Class of 1916 was excellent, and alumni from earlier classes added to the enjoyment.

The reunion schedule by now is pretty well set. The visitors start registration at alumni headquarters in the lobby of the Daniel Boone Hotel. After visiting around, they take off in small groups on campus tours. The opening day is climaxed by the Class Banquet, held in Memorial Student Union, with Jean Madden presiding over a light program. Next day a coffee hour is held in the Alumni-Faculty Lounge of the Student Union, from 9 a.m. to 11 a.m. Then comes the Commencement Luncheon in the Union, presided over by G. H. (Bus) Entsminger, with Chancellor John W. Schwada as the principal speaker. The guests then are on their own, but quite a few of them board a special bus at the hotel for Memorial Stadium and the University's Commencement program. Throughout the two days, the main ingredient of a rewarding occasion is visiting and reminiscing with old friends.
