ALUMNI DIRECTORY 1843-1917

H. H. KINYON

Alumni Secretary

ISSUED THREE TIMES MONTHLY: ENTERED AS SECOND-CLASS MATTER
AT THE POSTOFFICE AT COLUMBIA. MISSOURI-2500

DECEMBER, 1917

Explanation

This directory contains the names of all the graduates of the University of Missouri (except the School of Mines, at Rolla) in three lists—alphabetical, class and geographical. These lists were corrected May 1, 1917. Only those changes reported to the office of the Alumni Secretary have been made since. Changes in location because of war service are not included. A supplementary war directory, including the names of former students as well as graduates, will be issued later.

Persons finding errors will confer a favor on the Alumni Association and the Missouri Union by reporting them at once. Changes of address should be reported immediately to the Alumni Secretary, Missouri Union, Columbia, Missouri.
