MP 71
Revised November 1967
This is a list of popular University of Missouri publications. You may have one free copy of publications listed except those with an asterisk (*) after them. Please do not order more than ten different titles.

Prices are given in parentheses after each title for people who wish more than one copy. A 10 percent discount is provided for orders of 10 or more and 20 percent for 1000 or more.

A separate list of the technical research bulletins of the Missouri Agricultural Experiment Station will be supplied on request.

HOW TO ORDER

When you send your order, give us the letter, number and title of the publication you want.

What the letters mean:
B—Station Bulletin
C—Extension Circular
L—Leaflet
RP—Regional Publication
F—Folder
FC—Folder, Dairy Calendar Series
G—Guide Series
SR—Special Reports
YP—Extension Youth Publication
MP—Miscellaneous Publication

Your county University of Missouri Extension Center will have most of these publications. It’s located at the county seat. You may get them there or by writing:
